

SuiteSolutions – Enhanced Validations and Defaulting

Description and Terms of Service

Overview of Functionality

SuiteSolutions – Enhanced Validations and Defaulting enables the user to implement the following validation features on sales and fulfillment transactions:

1. Restrict which items can be sold to a customer.
2. Validate that the quantity entered on sales and fulfillment transactions does not result in a negative inventory amount at the specified location.
3. Default customer discounts on sales transactions.

One or more of the above validations can be deployed simultaneously on the selected transaction types.

Limitations:

1. All standard NetSuite Service usage and governance limits apply.

Terms of Service:

SuiteSolutions are pre-built offerings used to accelerate the delivery of custom functionality into Customer's account. Any custom configurations or code deployed with SuiteSolutions are not locked and can be further customized in Customer's NetSuite Service account. It is Customer's sole responsibility to review the functionality and limitations enabled by this SuiteSolutions item before procuring. Unless specifically agreed in writing in a separate Statement of Work, SuiteSolutions are not supported, maintained or upgraded by Oracle. In addition, unless otherwise agreed upon in writing pursuant to a Statement of Work between Oracle and Customer, Customer is responsible for all testing and configuration of all SuiteSolutions. SuiteSolutions can only be deployed to the account of the specific Customer that has procured SuiteSolutions. SuiteSolutions are for Customer's internal use only for use with Customer's NetSuite Service account and cannot be re-bundled and/or shared. Customer may continue to use this SuiteSolutions item during the term of their use of the NetSuite Service.

This item shall be considered a Deliverable (as such term is defined in the PS Terms) and is provided to you pursuant to and governed by (in order of preference, as applicable): (i) the Professional Services Addendum to the Subscription Services Agreement entered by and between the parties, (ii) the separate Oracle Professional Services Agreement entered by and between the parties; or (iii) if neither (i) nor (ii) are applicable, the Online Professional Services Agreement found at www.netsuite.com/termservice (the "PS Terms").

SuiteSolutions may include open source software programs licensed under different terms or licensed by a vendor other than Oracle. To the extent that Oracle includes open source software in or with the

SuiteSolutions (“Open Source Software”), the licenses governing such Open Source Software will apply to Customer’s access and use of such Open Source Software. If applicable, a list of certain Open Source Software notices applicable to this SuiteSolutions item is set forth below. Customer agrees to comply with all applicable provisions of the licenses and terms governing Open Source Software.

Notwithstanding anything to the contrary set forth herein or in the PS Terms, Oracle is not responsible for, and makes no warranties, express or implied, related to Open Source Software and will have no liability for Customer’s use of such Open Source Software.
