THE ACTIVISTS

60 minutes • Grades 10-12, College, Adult

The story of activists who opposed the wars in Iraq and Afghanistan, including their lives, the tactics they used, and the historical context.

Purchase \$295, Classroom Rental \$95

THE COMING WAR ON CHINA

112 minutes • Grades 10-12, College, Adult

John Pilger reveals that the United States and China, both nuclear-armed, may well be on the road to war. The film is both a warning and an inspiring story of resistance.

Purchase \$350, Classroom Rental \$95

AFTER THE SPILL

63 minutes • Grades 9-12, College, Adult

Five years after BP's Deepwater Horizon exploded and sank in April 2010, has life returned to normal along Louisiana's coastline? Or has it been changed forever? *A sequel to SoLa: Louisiana Water Stories.*

Purchase \$295, Classroom Rental \$95

COMPANY TOWN

77 minutes • Grades 9-12, College, Adult

A grassroots movement challenges Citizens United, corporate power, and moguls of the "sharing economy" to stop gentrification and wrest back control of San Francisco's future.

Purchase \$350, Classroom Rental \$95

BLUESPACE

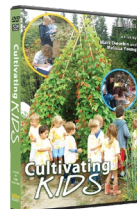

73 & 54 minutes • Grades 7-12, College, Adult

Examines our fraught relationship with our homeworld by delving into the sci-fi speculation of "terraforming," — making another planet Earth-like, by altering its atmosphere.

Purchase \$350, Classroom Rental \$95

CULTIVATING KIDS

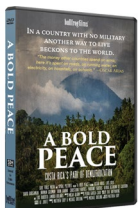

23 minutes • Grades 4-12, College, Adult

On South Whidbey Island in Washington State, a school farm illustrates how a garden can be a valuable addition to a school's curriculum while encouraging a healthy diet for student and a connection to the food they grow and eat.

Purchase \$195, Classroom Rental \$85

A BOLD PEACE

89 & 57 minutes • Grades 7-12, College, Adult

Almost 70 years ago, Costa Rica abolished its army and committed itself to fostering a peaceful society. It has been reaping the benefits ever since.

Purchase \$350, Classroom Rental \$95

DEATH BY DESIGN

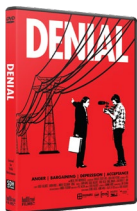

73 & 57 minutes • Grades 7-12, College, Adult

In an investigation that spans the globe, award-winning filmmaker Sue Williams investigates the underbelly of the international electronics industry, revealing how even the tiniest devices have deadly environmental and health costs.

Purchase \$350, Classroom Rental \$95

DENIAL

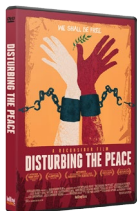

92 & 57 minutes • Grades 10-12, College, Adult

A unique film about the filmmaker's father, a utility executive and "smart grid" pioneer in a nation in denial about climate change, who battles his own denial about his true gender identity.

Purchase \$350, Classroom Rental \$95

DISTURBING THE PEACE

86 minutes • Grades 9-12, College, Adult

A film about people born into conflict; Palestinians and Israelis, sworn to be enemies, who challenged their fate and joined together to say "enough." -- leading to the creation of Combatants for Peace

Purchase \$350, Classroom Rental \$95

DR. FEELGOOD

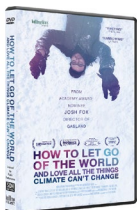

84 & 52 minutes • Grades 10-12, College, Adult

The story of Dr. William Hurwitz - a preeminent pain specialist sentenced to 25 years in prison for drug trafficking - provides a window into the ethical dilemma of opioid prescriptions.

Purchase \$350, Classroom Rental \$95

HOW TO LET GO OF THE WORLD

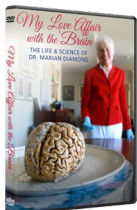

127 minutes • Grades 10-12, College, Adult

Oscar-nominated director Josh Fox contemplates our climate-change future by exploring the human qualities that global warming can't destroy.

Purchase \$390, Classroom Rental \$95

MY LOVE AFFAIR WITH THE BRAIN

57 minutes • Grades 9-12, College, Adult

Explore the life and work of Dr. Marian Diamond, one of the founders of modern neuroscience, and an inspirational teacher to thousands at UC Berkeley and to millions on YouTube.

Purchase \$350, Classroom Rental \$95

THE RETURN

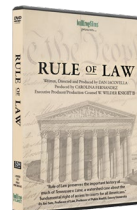

84 minutes • Grades 9-12, College, Adult

Examines the unprecedented reform of California's "Three Strikes" law through the eyes of those on the front lines: prisoners suddenly freed, families turned upside down, and attorneys and judges wrestling with an untested law.

Purchase \$350, Classroom Rental \$95

RULE OF LAW

47 minutes • Grades 10-12, College, Adult

A newly-disabled outlaw and country lawyer in Tennessee lead a class action lawsuit that affects the rights of 55 million people.

DVD includes extensive supplements.
