About Calypso Star Charters

- We commenced operations in 1990 and were the first operator to offer a one day shark cage diving adventure in 2006.
- We are proudly Advanced Eco Certified across all our tours and our Captains are Eco Certified Guides.
- Carbon Neutral company.
- Bronze medal in Tourist Attraction at the 2016 awards.
- Best Tourist Attraction and Adventure Tour at the 2016 South Australian Tourism Awards.
- We have a partnership with Flinders University supporting their tagging and monitoring program.
- More people choose to come to Shark Cage Diving with us than any other operator in Australia!

Why choose us?

- Privileged to be chosen to hold one of the limited exemptions to use berley to attract sharks.
- The use of berley gives us the highest chance of sighting sharks and productive interaction close to our vessel and cage, resulting in a memorable encounter and wonderful photographic opportunities.
- Largest vessel with the most departures and no minimum numbers for Shark Cage Diving tours.
- MV Calypso Star 2 is the only Gyroscopic stabilized Shark Cage Diving vessel which greatly minimises seasickness and increases comfort throughout the day.
- Daily updates of shark sightings on social media and 5+ years of sightings history on our website.
- Top side viewing from the main or bridge deck.
- No dive experience necessary. All equipment is provided;
- GoPro camera hire; Photos package and souvenirs available on board.
- Multiple tour discounts apply.
