

Trouble Season 1 Episode 2 Screening Kit

Discussion Questions:

- 1) Are there any fascist or far-right organizations operating in your area? What oppressed groups are they targeting? What is the basis of their messaging, and how can that be counteracted?**
- 2) What demographics in your community would be more susceptible to targeting by the far right? What are the issues affecting them that could be exploited by fascists? How can you counteract fascist efforts at recruitment?**
- 3) What security precautions should you and your comrades take when confronting fascist groups?**
- 4) Are there groups in your town that you could form alliances with to fight far-right groups?**
- 5) What skillsets do you have that could aid in anti-fascist struggles? Organizing, banner making, self-defense, cyber-security, public speaking?**
- 6) Have you ever come into contact with fascist groups? Can you relate your experience?**
