

# SHOW UP FOR DANE POWELL #DEFENDJ20 RESISTANCE

On Friday, July 7th, Dane Powell became the first victim of the #DisruptJ20 arrestees to be struck with a jail sentence. Dane is a father, veteran, water protector, and active community member, but will now forever be known as the first political prisoner of the Trump era. Today, he needs your support more than ever. **Please support Dane by donating to his commissary, writing him letters, and stand with all the J20 defendants.**
