

SOLIDARITY FEDERATION WORKPLACE ORGANISER TRAINING

Problems at work?

Boss on your back?

Not getting what you're owed or entitled to?

Well, don't moan, organise!

Join us for a workshop to learn how to organise and fight back in your workplace. Whether you or your job has a union or not, we can help you!

Solidarity Federation invites you our one-day workplace training. We've all got grievances at work, but together we're strong.

The workshop will include sessions on:

- What you're entitled to and how to get it
- How to get your workmates organising alongside you
- How to protect yourselves from victimisation
- How to organise and WIN grievances at work!

What our attendees have said:

"This is great! I can't wait to start talking about this with my co-workers and get my organising committee up and running!"

"I've been a union rep for 15 years. I've learned most of these things in that time, but it makes so much sense to have it all collected all in one place."

"I love the practical advice. Some of it's so simple, but you don't realise it until it's there in front of you. I can't wait to go apply it at work."
