Building on the success of its ground-breaking live, free and exclusive coverage of The Australian Open across broadcast television, mobile, hybrid and online, Seven has unveiled the next stage in the development of its long-term strategy to deliver its market-leading content to all Australians across any connected device. Seven dominated sports coverage across January with its coverage of

The Australian Open delivering extraordinary consumer engagement across all delivery platforms and driving growth in television audiences for the Open.

Following the success of this multiple-platform delivery of sports content, Seven is launching dedicated new apps – available free in the IOS App store and Android Play store – along with complementary and responsive websites available on desktop and mobile web for the live-streaming of many of Seven’s biggest sports franchises.

Slated for “40 Days of live and free sport on your mobile anywhere, anytime” is the network’s coverage of Royal Ascot, Wimbledon, the Davis Cup in Darwin, The FINA World Swimming Championships, and the major golf tournaments: The Australian Masters, The Australian Open and The Australian PGA Championships. Seven is launching 7horseracing.com.au, 7tennis.com.au, 7swimming.com.au and 7golf.com.au complementing Seven’s major online sports presence with 7sport.com.au.

Seven is building its digital television platform beyond broadcast television with a significant streaming presence and is well-advanced in the further delivery of its video and digital content across an array of delivery platforms, including HbbTV (Hybrid TV) to further strengthen its broadcast television business and extend to one-on-one connected communications with mass audiences.
