The New Zealand Locomotive Engineers' Sickness, Accident and Death Benefit Fund

In the last ten years 222 locomotive engineers had to retire due to medical reasons. They received a total payout of \$4,316,051 from the above Fund.

LEs who didn't belong to the Fund and who were forced to retire did not receive anything.

You could be next to miss out!

For as little as \$403 a year your future – or those of your next of kin – could be better assured.
