# Admissions Transparency at Deakin

At Deakin, we're committed to providing transparency to the admissions process.

In line with this commitment, we provide you with information that will help in making informed choices about your higher education study options.

The following pages provide information relevant to the 2017 admission period (Trimester 1). It encompasses a snapshot of how students were admitted into their courses and the profile of students studying at Deakin University.

# What's included?

## 2017 Deakin University ATAR Profile (Page 4)

This report shows the ATAR profile of all applicants applying to Deakin University courses in Trimester 1, 2017. This is on the basis of recently completed secondary education – that is, those applicants who completed their secondary education in 2015 or 2016, and were made offers on the basis of their ATAR alone.

The table's useful if you'd like to browse our undergraduate courses and learn what sort of ATARs the 2017 cohort of students had going into the course. We compile this information so that you can get a good idea of the sort of educational attainment that's expected of Deakin students, on a course-by-course basis.

It also shows the impact of any ATAR-related adjustments resulting from bonus points applied under Deakin University's **Equity and Access Scheme, and other bonus schemes.**

Information in this report includes all applicants who applied for a Deakin course via the Victorian Tertiary Admissions Centre (VTAC), as well as those who applied directly to Deakin University.

## 2017 Deakin University Student Profile (Page 10)

This report gives an indication of the likely peer cohort for new students at Deakin.

It shows the number of students who started a course at Deakin University in Trimester 1, 2017. It also shows the basis of admission for domestic students who started these courses.

Information in this report includes all students enrolled in Deakin courses in Trimester 1, 2017 at March 31, 2017 (the census date).
