

PART III: GUIDELINES FOR REPORTING ON INDICATORS FOR SUSTAINABLE DEVELOPMENT AT THE NATIONAL LEVEL

Background

The Johannesburg Plan of Implementation (JPOI) and the Commission on Sustainable Development (CSD), at its 11th session, re-affirmed the importance of indicators for sustainable development and encouraged further work on indicators for sustainable development by countries at the national level, including integration of gender aspects, on a voluntary basis, in line with national conditions and priorities.

Questions

1. Do you have a national programme or initiative to develop and/or use indicators for sustainable development?

- v Yes
 No (Please describe your plans to develop such a programme or initiative).

The Key Performance Indicators (KPIs) are included in the National Strategic Development Plan (SDP) 2003 – 2005.

If yes:

- (i) When was it established? **2002**
(ii) What is the name of the programme or initiative?

The National Strategic Development Plan 2003-2005 contains KPIs that are used to monitor progress of implementing its Policy Objectives.

- (iii) What are the specific areas of sustainable development for which your country is developing or monitoring indicators?

Discussions are in progress with the United Nations Development Programme (UNDP) on developing 'National Development Indicators'. It is anticipated that UNDP will provide assistance to Fiji to develop appropriate indicators. The MDG indicators will be integrated into the national development indicators.

- (iv) Have you developed a set of indicators of sustainable development in your country?

- v Yes

No

If yes, please describe the status:

agreed set of indicators

v draft set of indicators

other _____

2. Is there an established coordinating mechanism in the country at the national level for indicators for sustainable development?

v National Commission/Council on Sustainable Development

Steering Committee

Inter-agency/Ministerial Working Group

Other _____

None

3. Do you participate in any regional or international programmes on indicators of sustainable development?

Yes

v No

If yes, please provide the names of these programmes:

There is a need for programmes on “National Development Indicators”. This will assist in monitoring national development.

4. What are the 3 most difficult problem areas in the establishment of indicators of sustainable development in your country? Please indicate the order of priority.

v Training in methodologies relating to indicators of sustainable development

Communication with other agencies responsible for indicators

v Basic data and/or statistics – quality and quantity

Human resources

Financial resources

v Information management system, including equipment

Monitoring mechanisms

Other _____

5. Please provide the name of a contact person responsible for indicators of sustainable development.

Name Mr. Sunia Baikeirewa or Mr. Josefa Sania
Title Principal Economic Planning Officers
Address Ministry of Finance & National Planning
P.O. Box 2351
