ATTACK OF THE SAME-SEX SLEEPER CELLS

CARTOONS FROM 2005 BY LIND

Attack of the Same-Sex Sleeper Cells chronicles a year in the life of Horst, a computer geek who carries the world on his shoulders – and lets his friends know it. Through Horst, cartoonist Gareth Lind tackles the war on terror, same-sex marriage, political corruption, avian flu and the cold fear of having kids. This book is a caustic pleasure not to be missed. Look for it at independent bookstores and lindtoons.com after April 6.
