When those we love and care for the most in this world stab us in the back, it is a pain unequalled by any other. When that person turns against everything we've ever believed in as well, it is nothing less than betrayal! Grab a hankie, Spanky, it's time for another heart-breaking episode of:

LETTERS BY LAURA

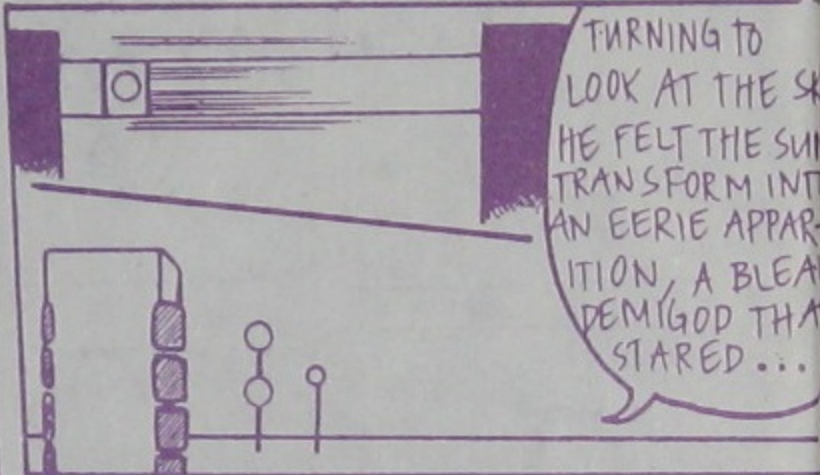

IN LATE 1940s PHILIP K. DICK WAS TO HAVE A SERIES OF VISIONS THAT CAME TO HEAVILY INFLUENCE HIS WORK AND SCAR HIS MIND...

WHILST OUT WALKING TO HIS WRITING SHACK AN OVERWHELMING SENSE OF FOREBODING STRUCK HIM.

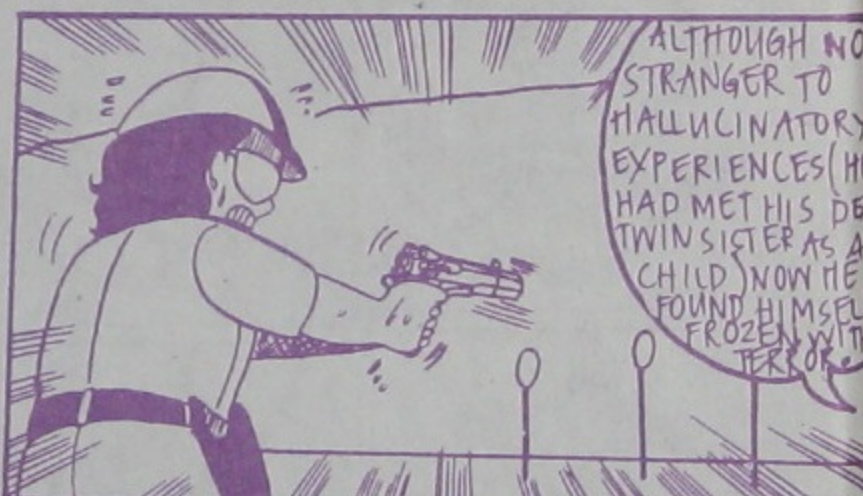

TURNING TO LOOK AT THE SKY HE FELT THE SUN TRANSFORM INTO AN EERIE APPARITION, A BLEAK DEMIGOD THAT STARED...

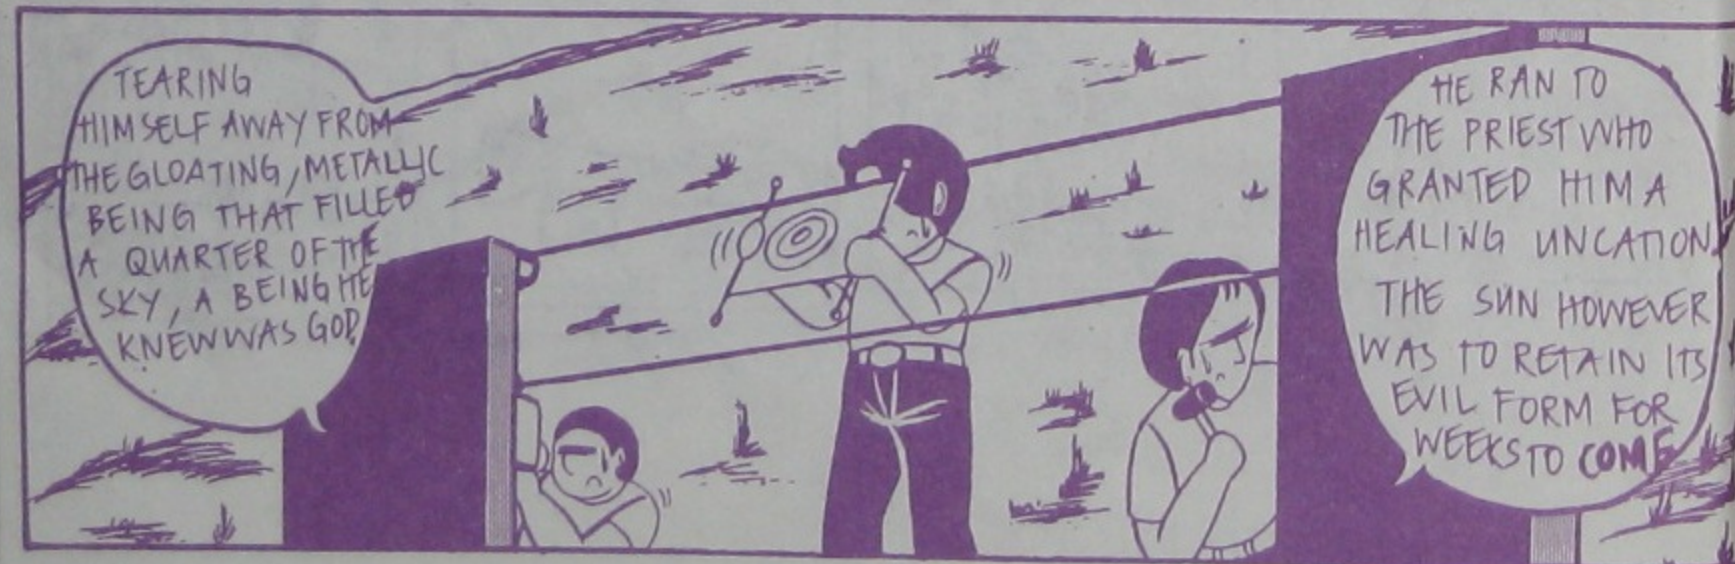

RIGHT THROUGH HIM EXPOSING HIS EVERY WEAKNESS.

ALTHOUGH NO STRANGER TO HALLUCINATORY EXPERIENCES (HE HAD MET HIS DE TWIN SISTER AS A CHILD) NOW HE FOUND HIMSELF FROZEN WITH TERROR.

TEARING HIMSELF AWAY FROM THE GLOATING, METALLIC BEING THAT FILLED A QUARTER OF THE SKY, A BEING HE KNEW WAS GOD.

HE RAN TO THE PRIEST WHO GRANTED HIM A HEALING UNCTION. THE SUN HOWEVER WAS TO RETAIN ITS EVIL FORM FOR WEEKS TO COME.

ALTHOUGH A PRACTICING CHRISTIAN AT THE TIME, DICK WAS TO LOOK FOR THE ORIGINS OF THE CREATURE NOT IN SATAN'S WORKS OR GODS WARNINGS BUT IN OLDER GNOSTIC PHILOSOPHIES.

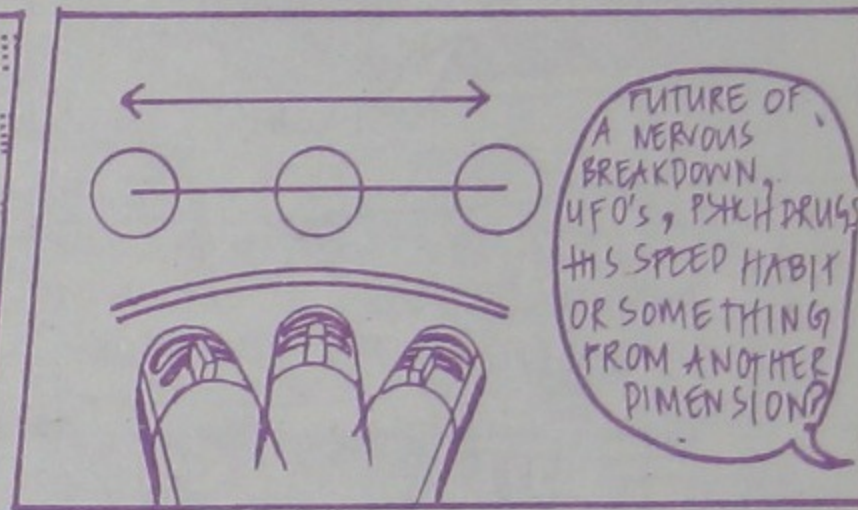

STORIES AND WRITINGS OF THE TIME, FOUND THEIR BASIS IN THE GNOSTIC VIEW OF GOD NOT AS RIGHTEOUS PUPETMASTERS.

BUT AS UN-CARING, ALMOST SADISTIC CREATURE WHO HAD CREATED EARTH AS HELLSH ILLUSONARY PLACE INCAPABLE OF IMPROVEMENT.

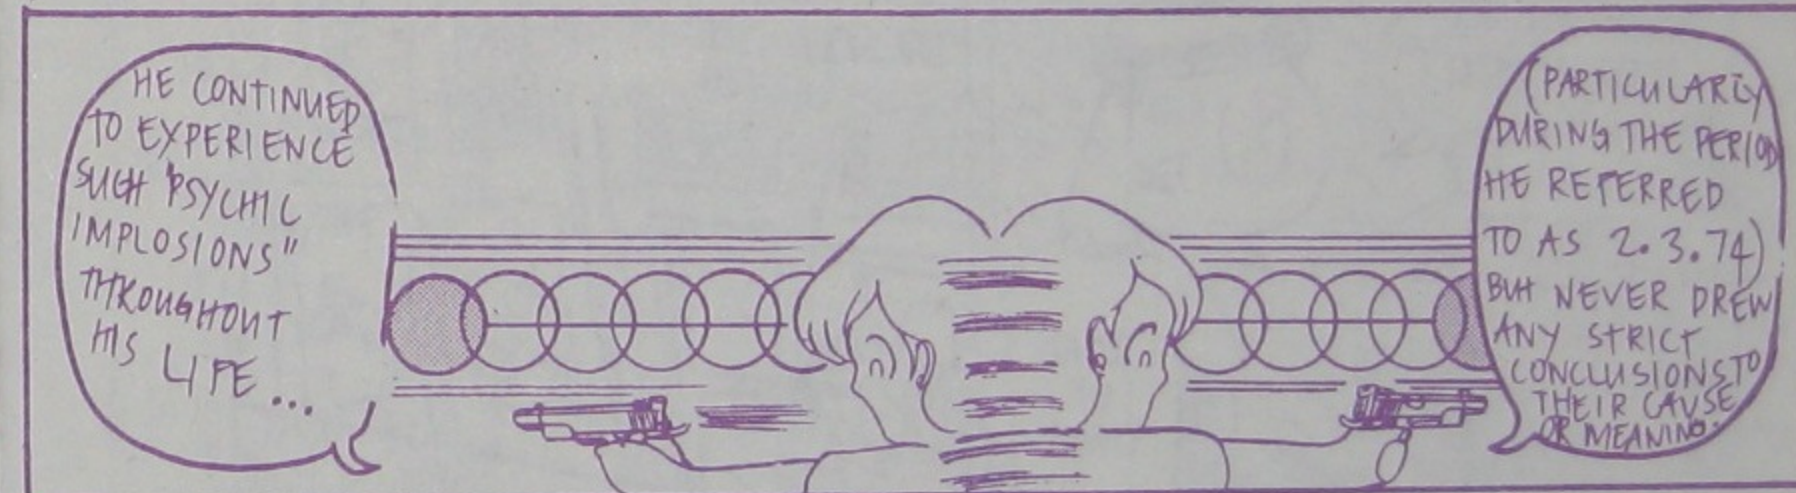

TURNING ITS BACK ON THE EARTH, THIS MINOR DEMIGOD CARED NOT HOW HUMANS FARED, ALTHOUGH PERHAPS THEY COULD FIND PEACE THROUGH OVER-COMING SUFFERING.

DICK WAS NOT TO CONFINE HIS EXPLORATIONS TO GNOSTICISM HOWEVER PERHAPS THE VISIONS HAD BEEN A MESSAGE FROM THE

FUTURE OF A NERVOUS BREAKDOWN, UFO'S, PSYCH DRUGS HIS SPEED HABIT OR SOMETHING FROM ANOTHER DIMENSION?

HE CONTINUED TO EXPERIENCE SUCH PSYCHIC IMPLOSIONS THROUGHOUT HIS LIFE...

(PARTICULARLY DURING THE PERIOD HE REFERRED TO AS 2.3.74) BUT NEVER DREW ANY STRICT CONCLUSIONS TO THEIR CAUSE OR MEANING.

NONETHELESS THE VISIONS INDUCED QUESTIONING OF THE BASIS OF REALITY AND INDEED LIFE,

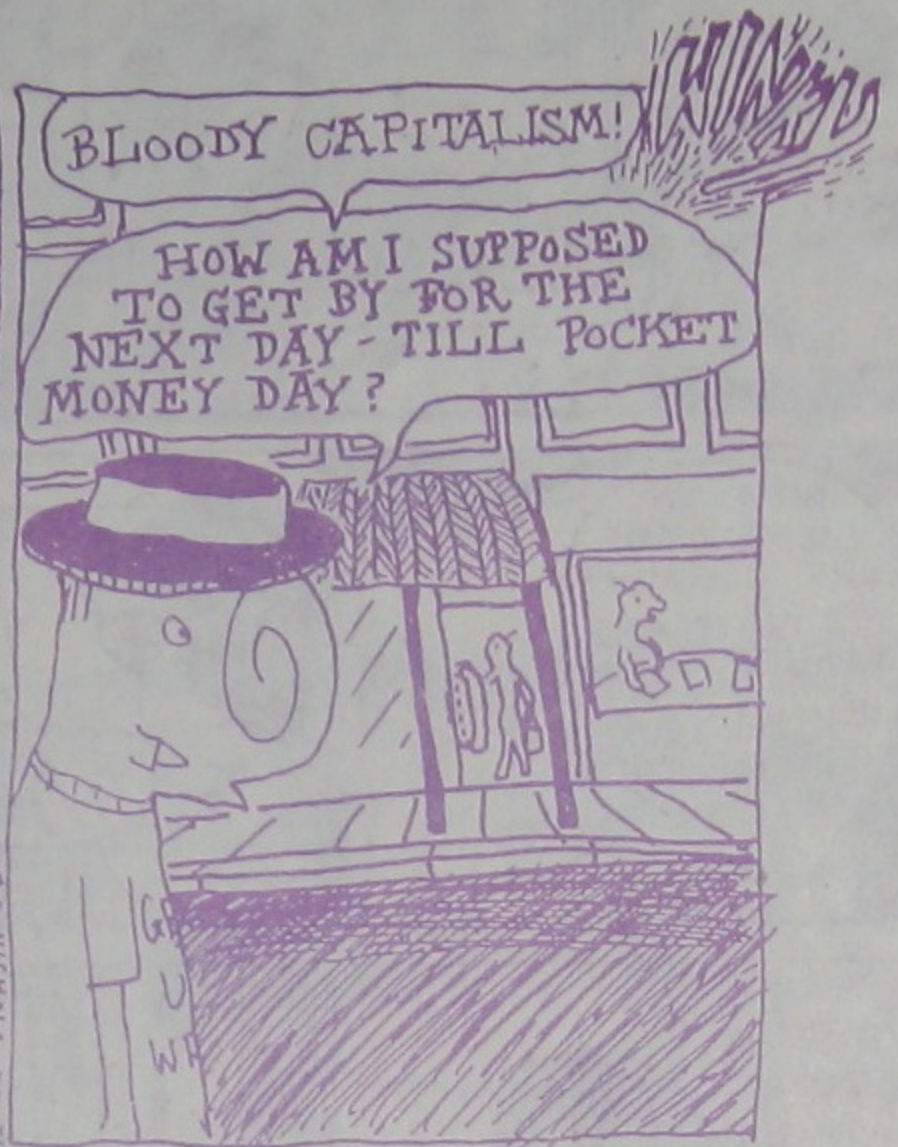

COMPELLED DICK TO CREATE SOME OF THE MOST PERCEPTIVE AND FUCKED UP FICTION OF OUR TIME.

GODDAMN IT TO HELL... ONLY \$70 LEFT!

Eunuch- Champeen Gote Tape
(Pagan Waste, Aust.)- Ranting
and raving hardcore played with
but one guitar and one vocal
into a small tape player. More
like a one man Discharge than
anything else. Address- 28/150
Healy Rd, Hamilton Hill, WA,
6163, Australia.

Slug and Lettuce #41 (12 A3pp.
US, Stamps)- Excellent newspaper
format punk listings zine from
New York with lots of nice
photos, a couple of columns and
a whole lot of reviews.
Address- c/o P.O. Box 154, Tweed
Heads, NSW 2485, Australia.

Sub Rosa- Gasmask Tape (Pagan
Waste, Aust.)- It sounds like
this is the guy from Eunuch with
a fully fledged punk rock
backing band. A fairly mental
rehearsal recording, at times
this reminded me of early
Feedtime.

Counter Intelligence (28 A4pp.
UK, \$42)- This catalogue of last
years Counter Intelligence
exhibition provides an excellent
introduction to the world of
self publishing. Reviews of all
the many varied print creations
that made up the exhibition plus
great articles on the hows and
wherefors of the small press
scene. Address- BM JED, London,
WC1n 3XX, UK.

Bypass #5 (36 A4pp, UK, \$5)- The
equivalent of Factsheet 5 for
Europe except with loads more
attitude and better layout. 400
plus reviews of the small press
plus comix, raves and other
contacts. send your zine to them
for review. Address- P.O. Box
148, Hove, Bn3 3DQ, UK.

Bad Religion- All Ages CD
(Epitaph, US)- A sort of
"greatest hits" compilation of
the Epitaph years. Most people
should know what to expect from
this band (melodic hardcore,
wordy lyrics, lots of harmonies)
and all in all this is a pretty
good collection and example of
what they do.

Do or Die #5 (120 A5pp, UK, \$4)-
News, analysis and info from the
harder edge of UK Earth First!
with stuff on Pollock Estate,
the Bouganville Revolutionary
Army, Factory Burning in India
and much, much, much more.
Address- c/o South Downs EF!,
Prior House, Tilbury place,
Brighton, Sussex, BN2 2GY, UK.

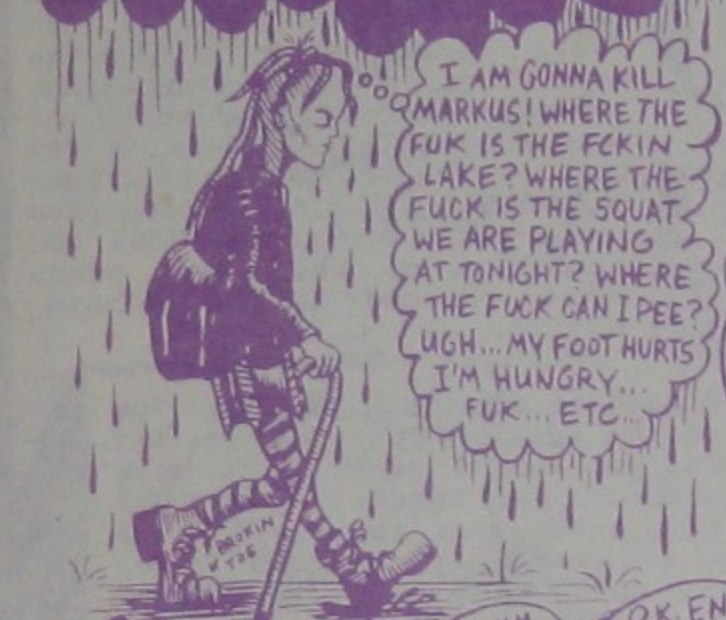

Collective Action Notes #6 (8
A4pp, US, Donation)- Basically a
listing of industrial fightback
across the world. There's alot
more resistance going down than
you'd think. Explodes the myth
of working class passivity and
apathy in the 90's. Address-
P.O. Box 22962, Balto, MD 21203,
USA.

Misuse #4 (28 A5pp, Aust, \$1)-
The latest issue of Chris's
little zine of indie music and
small fi troublemaking. Great
comix from Don gonad, Dave
Nichols and Julian Williams as
well as interviews with Ricaine
and Sea Scouts, Hakim Bey, the
Crackerjack Kid and much more.
Address- P.O. Box 372, carlton
South, 3053, Australia.

Words a game- Ides of March 1 CD
(Turn of the Century, US) - I
love this kind of emo stuff and
this rates up with the best of
the genre. Mid paced, melodic,
progressive hardcore teamed up
with obscure lyrics and pained
vocals. This stuff can get a bit
cheesy for some, but I like it,
just fine. Beautifully packaged
with great use of rubber stamps.
Fans of Rodan, Slint, etc could
probably get into this too.
Address- 50 Lexington Ave,
Suite#197, New York, NY 10010,
USA.
