

Greetings Comrades and Friends:

I was informed by Gregory Lewis that this father Greg passed away. Greg was a friend and fellow Panther. I first met Greg selling Panther papers in 1969-1970 in East Oakland. We would walk and talk and he would come to Political Education classes. So sometime in 1970 he joined the BPP and became a member.

Sometimes after selling newspapers we would go over to see Pam, his girlfriend whom lived on Holly St off 90th. She was about to have a baby (Gregory) maybe 7 to 8 months. Greg worked out of East Oakland Office go to the Breakfast Program and teaching at Liberation School.

We all lived on 99th ave back then. Later Greg wanted to go back to college so he left. I didn't see Greg again until sometime in 1977, he was playing in a band in MT. View, California. Music was his second love.

I will miss Greg, he was a good hearted person and a good Panther.
