

Smash racism in 2018.

Racism is growing – We all know it, but what are we doing about it?

**speakers // workshops // self-defence training
discussion // and more!**

Sat March 10th // London

Activists and organisations from around the UK are coming together to see how we can all work together to smash racism in 2018 – get involved and join the fight.

Save the date – venue and more details to be announced nearer the time.
