TWO MINUTE SILENCE

INTERNATIONALE

...

Arise ye workers from your slumbers
Arise, ye prisoners of want,
For reason in revolt now thunders,
And at last ends the age of cant,
Now away with all superstitions,
Servile masses, arise! arise!
We'll change henceforth the old conditions
And scorn the dust to win the prize.

Then Comrades, come rally!
And the last fight let us face,
The International
Unites the human race,

We peasants, artisans and others
Enrolled among the sons of toil,
We'll claim henceforth the earth as brothers,
Drive the indolent from the soil,
On our flesh too long has fed the raven,
We've been too long the vulture's prey,
But now farewell the spirit craven,
The dawn brings in a brighter day.

Then Comrades, come rally!
And the last fight let us face,
The International
Unites the human race.
