WFM Coffee Afternoon: The local WFM will be holding a coffee afternoon on Saturday the 27th October in the Free Church hall @ 2pm. This will be to launch the annual WFM project which this year is Project Africa, which aims to provide computers and construction at Dumisani Theological Institute in South Africa and also for Bibles and Bikes for the Congo.

Clocks changing: Please remember that the clocks go back an hour at 2am next Sunday morning (28th). So please remember to put your clocks back an hour or you may end up at church an hour early.

Christianity Explored: The course began last Tuesday and will continue this Tuesday 23rd Oct. There will then be a week's break before the next time we meet, on the 6th Nov. The dates following are the 13th & 20th Nov. and 4th and 11th Dec. We are grateful for the number who have applied to come on the course. Due to there being so few wishing to come along for food beforehand, we will just be having tea and coffee on the evening. Please come along for 7.15.

All the above D.V.
