NATIONAL INFORMATICS CENTRE

e-Sathi UP is the frontend Mobile app for availing the services which comes under e-District. e-District is a 'Government-to-Citizen' initiative under Digital India which is extending government services at the door step of citizen, ranging from certificates, pensions, ration card, employment registration etc.

Now, citizens need not to run anywhere for availing these services, they can avail them through their mobile phones anytime and anywhere. Mobile APP also has the facility of application status tracking and certification verification through QR Code as well as Combination of application Id & Certificate ID.

इन्वेस्टर्स समिट में गुरुवार को केंद्रीय मंत्री रविशंकर प्रसाद और डिप्टी सीएम दिनेश शर्मा ने ई साथी मोबाइल एप लांच किया
