Cover explained

You are only covered for events that occur during the period of insurance. The cover is subject to the terms and conditions including limits and excess(es) in the policy.

Type of Home Insurance we can provide

Domain Insure can provide building and/or contents insurance for the home you live in as well as for landlord properties you own but do not live in.

If you are insuring the building and/or contents for the home you live in, there are two cover options:

- Essential cover – our basic option; or
- Top cover.

See pages 12 – 42 for further details on both of these covers.

If you are insuring a landlord property you own, we have landlords cover for your buildings and/or contents. See pages 12 – 40 for further detail on this cover.

Your Certificate of Insurance will show the type of cover/s you have been provided with and whether you are insuring a building you live in or a landlord property you own but do not live in.

To properly understand what you are covered for and the applicable terms and conditions you need to read this PDS in full as well as your Certificate of Insurance. Please note that if you wish to change your cover options during the period of insurance you need to contact us to request this.

What is your ‘building’?

This is the building as defined below which is located at the site listed on your Certificate of Insurance.

For the purpose of this insurance your ‘building’ is defined as a fully enclosed structure with walls and a roof used primarily for residential purposes that can be locked up. It includes any fixtures or home improvements at the site, secured outbuildings (such as your garage) and other domestic structural improvements on your site that comply with local government or other statutory requirements.

Your building insurance covers your building for the Insured events shown on pages 12 – 17.

Additional benefits included in your building cover are detailed on pages 21 – 28 of this PDS.

Your building does not include:

- a new building while it is under construction;
- carpets, carpet tiles, floor rugs, internal blinds or curtains (these are contents);
- temporary or mobile structures, including caravans and trailers;
- above-ground swimming pools or portable spas;
- items within the building that are not fixed;
- any wharf, jetty or pontoon;
- lawns, artificial grass and landscaping, other than the limited cover provided in the building Additional benefits section (see page 27); or
- property that a tenant is liable for under the terms of a rental agreement.

What are your 'contents'?

For the purpose of this insurance, 'contents' has different definitions depending on whether the contents are in the building you live in or whether they are landlord's contents specifically for the use of your tenant.

Contents (in the home you live in):

Contents means any household goods or personal belongings, usually kept in your home, that you own or are legally responsible for. If your building is also insured by your policy we will consider building materials on site due to be installed within the insured building (including items such as cupboards or sinks) as contents.

Your contents insurance covers your contents in your home for the Insured events shown on pages 12 – 17.

Additional benefits included in your contents cover are detailed on pages 21 – 24 and 29 – 36 of this PDS.

There are limits to the amount we pay for contents claims. The fixed limits that apply are detailed on page 9 and other limits may be noted on your Certificate of Insurance or in this PDS.

Your contents do not include:

- gas and electrical appliances, light fittings and alarm systems that are built-in and permanently connected to the gas or electricity supply, or underbench dishwashers (these are part of your building);
- trees, shrubs, hedges or other plant life including lawns, artificial grass and landscaping (limited cover is provided if your building is insured under this policy);

- unset precious and semi-precious stones;
- animals;
- motorised vehicles (other than lawnmowers), go-carts, motor cycles, mini-bikes, caravans and trailers, or any of the parts or accessories for these vehicles including GPS units designed for use in vehicles;
- non-motorised watercraft greater than 3 metres, motorised watercraft, aircraft and hang gliders and/or their parts and accessories; and
- tools of trade (other than the limited cover provided under the Additional benefit 'Tools of trade'), stock in trade or items used in connection with a business.

Some items of contents have fixed limits which represent the maximum we provide cover up to.

These items are:	Essential cover contents limits	Top cover contents limits
Cash and documents that are able to be cashed	\$250 for each event	\$500 for each event
Bicycles	\$1,000 each	\$2,000 each
Portable musical instruments	\$1,000 each	\$2,000 each
Licensed and registered firearms (stored according to the law)	\$1,000 for each event	\$2,000 for each event

Some items of contents have flexible limits

Cover for items in each of the below three groups have limits per group for each event and \$1,000 per item/collection. You can increase these per item limits by advising us and having items individually listed, with their value, on your Certificate of Insurance.

You do not pay any extra to have these items individually listed where they are already included in your total contents sum insured. If you have an item or collection that is valued at more than \$1,000 or a number of items together worth more than the below limits, that fall within one of the three groups, you must tell us about them and ensure that they are correctly listed on your Certificate of Insurance or you will not have full cover. Cover is provided up to the amount stated in each column.

If you need to insure items away from your home see the Optional benefit 'Portable valuables' on pages 41 – 42.

Note: Whilst in your home there is no cover for any item of jewellery that has been insured for more than \$20,000 while it is not being worn unless it is kept in a locked safe that has been installed within your home in accordance with the safe manufacturer's specifications.

These items are grouped as:	Essential cover contents limits	Top cover contents limits
<p>Valuables – items such as jewellery, watches and silver and gold items;</p> <p>Collectables – items such as loose carpets and rugs, artwork including paintings, pictures, sculptures, art objects and curios and collections of coins, stamps and other memorabilia;</p> <p>Media – items such as a collection of CDs, DVDs, records, tapes, computer games and software.</p>	<p>\$1,000 per item/collection with a maximum of \$2,500 per group, for each event</p>	<p>\$1,000 per item/collection with a maximum of \$5,000 per group, for each event</p>

Landlords 'contents':

Contents means the following property in the building that:

- belongs to you;
- is provided by you specifically for the use of your tenant;

Your responsibilities

Your premium

What are premiums?

Your premium is the amount of money you agree to pay us for your policy.

How much do I pay?

When you apply and we agree to provide you with cover, or we renew your cover, we will advise you of the premium amount which we will confirm on your Certificate of Insurance.

How do we calculate premiums?

Your premium is calculated based on a number of criteria, such as:

- the cover you choose;
- the property and the site you want to insure;
- the limits and excesses that will apply;
- your insurance history.

We will also look at other factors that increase or decrease the risk of a claim and factors that affect our business costs.

Minimum premiums apply which could reduce any discount you may be entitled to.

Your premium will also include amounts covering government charges, taxes or levies we are responsible for, such as GST and Stamp Duty. This information will be shown on your Certificate of Insurance.

Paying your premium

You need to make sure your premium payment(s) are up to date. If they are not, we may cancel your policy in accordance with the law.

If any premium instalment remains unpaid for 14 days or more, we may also refuse to pay a claim.

It is important that you contact us if your bank or credit card details change.

In the event of a total loss claim where you were paying your premium by instalments, we will deduct any unpaid premium for the period of insurance from the claim settlement.

Duty of Disclosure

Before you enter into the policy with us, the Insurance Contracts Act 1984 requires you to provide us with the information we need to enable us to decide whether and on what terms your proposal for insurance is acceptable and to calculate how much premium is required for your insurance.

We will provide you with the relevant Duty of Disclosure that applies before you enter into, vary, renew, extend, reinstate or replace your policy.

You should read and understand it because if the Duty of Disclosure is not complied with we may cancel the policy and/or reduce the amount we pay if you make a claim. If fraud is involved, we may treat the policy as if it never existed, and pay nothing.

Full details of the Duty of Disclosure are available free of charge by calling us on **1300 370 456** or you can view it any time at domaininsure.com.au

Work out how much insurance you need

Many people do not have enough insurance cover for their building or contents. If you are under-insured, you will have to cover any shortfall yourself. For example:

- if the amount your building is insured for is not equal to the full cost of rebuilding it, including the cost of any structural improvements such as carports, fences and pools, as well as the cost of any demolition work, removal of debris and any architectural or council fees (other than the limited cover provided by the Additional benefit), you may be under-insured. The cost of land is not, however, included in determining your sum insured.
- if your contents sum insured is not enough to allow for the full replacement of all your contents, including your furniture, clothes, linen and personal valuables such as jewellery, you may be under-insured.

Under insurance of homes is a significant issue. You really need to spend time to assess your needs as we cannot advise you on the amount of cover you should insure for.

We **strongly** recommend you use a home building calculator. An example can be found at 'Understand Insurance' website understandinsurance.com.au/calculators

Remember, this insurance only provides cover up to the applicable limits specified in this PDS and on your Certificate of Insurance.

Review the replacement value of your property regularly

Each year at your insurance renewal, we may automatically adjust the amount you are insured for to help the cover keep pace with inflation. In addition to this adjustment, you may also need to consider (amongst other things) the value of any new contents or recently completed improvements to your home.

If you do not review the replacement value of your building and contents annually and increase your cover where appropriate, you may be or remain under-insured. Remember, any items you individually list on your Certificate of Insurance will remain insured for the values you originally advised to us unless you specifically ask us to increase them.

Change of occupancy type during the period of insurance

If the occupancy of your building changes from a home you live in to a Landlord property you own but do not live in, or vice versa, you will need to contact us so we can change your building and/or contents cover accordingly subject to our underwriting criteria. If you do not we may reduce or refuse to pay a claim and cancel the policy.

Interests of others in your building and contents

You must tell us of any other party that has an ownership or financial interest in your building and contents as they may need to be noted on your policy for their interest. No party is covered for their interest unless we note them. If a credit provider is noted on your Certificate of Insurance as having an interest in your building and/or contents and we agree to pay a claim on a cash basis, we have the option of making this payment to the credit provider in full or part payment of the claim.

More than one insured person

If there is more than one insured named on your Certificate of Insurance we will treat a statement, act, omission, claim or request to alter or cancel your policy made by one as coming from all of those named as insured.

Paperless correspondence

We prefer to communicate with you by email or other electronic channels. You are responsible for making sure you provide us with your correct and up to date email address. However if you do not want to receive correspondence electronically, let us know.

We will consider any policy documents we send to you electronically to have been received by you 24 hours from when we sent them.

Keep proof of ownership of your property

When you make a claim for loss or damage to an item we will require satisfactory proof that you owned the item and of its value or your claim may not be paid. The easiest way to do this is by keeping documents related to the item.

The types of documents we ask for depend on the situation and may include:

- purchase receipts;
- valuation certificates (provided by an Australian qualified valuer);
- credit card or bank statements;
- instruction manuals;
- guarantee or warranty certificates; and
- photographs or video/digital film of the item.

When building work is carried out

Please note that if you carry out building alterations, renovations or additions the cover provided under your policy is restricted.

Below we have highlighted the exclusions that apply when building works are underway. You are not covered for:

- loss or damage caused by water entering your home due to building alterations, renovations or additions;
- loss or damage as a result of theft or attempted theft by a person who is on the site with your consent or the consent of another person also residing at the property;
- loss or damage due to theft or attempted theft or where the building security has been compromised due to the works being carried out;
- legal liability in respect to any loss or damage caused by or as a consequence of the building renovations alterations and/or additions if the total value of the project is greater than \$50,000; and
- accidental damage caused by or as a consequence of the building alterations, renovations or additions.

Your policy will not cover you for loss or damage caused by the works or damage to the works. If you need cover you may need to take out a separate insurance product with another insurer. We do not provide this cover.

Keep your building and contents in good condition and well maintained

You must ensure you maintain your building and contents in a good state of repair and condition.

This includes but is not limited to the following:

- ensuring that the building is watertight, structurally sound and secure;
- ensuring that gutters, downpipes and roof valleys are not clogged with debris and are not rusted, loose, falling down or missing;
- ensuring that floors, walls or ceilings are intact and secure and that any damage to these items and any other parts of the building that are not the subject of a claim under this policy are repaired; and
- compliance with all statutory obligations, government or local authority regulations and by-laws;
- ensure that all building maintenance or repairs to the building and/or contents are undertaken by an appropriately qualified person or licensed tradesmen.

Any loss or damage or liability or costs or expenses arising from your failure to maintain your building and contents in a good state of repair and condition will not be covered under the policy. You must also make reasonable efforts to protect your building and contents from any loss or damage. If you make a claim and knew about something that could cause loss or damage to your building or contents and you did not make reasonable efforts to avoid it before the loss or damage occurred, then your claim may not be paid. If you do suffer loss or damage to your building or contents, you must also make reasonable efforts to prevent any further loss or damage.

When your home is temporarily unoccupied

You must ensure your building is maintained while unoccupied. The maximum period your building can be unoccupied for during the period of insurance is 90 consecutive days. At any time when your building is unoccupied you need to ensure the home is maintained in a lived-in state by:

- keeping the lawns mowed and garden tidy;
- stopping regular mail and newspaper deliveries; and
- arranging for someone to check inside and outside your home at least once a week.

Have a property inspection/condition report completed – Landlords cover only

You or your agent must complete a detailed property inspection/condition report:

- when a new lease or rental agreement commences;
- when an existing tenant vacates the property; or
- on an annual basis if there is a long term tenancy.

If you make a claim you must provide us with copies of all property inspection reports otherwise we may reduce or refuse to pay your claim.

Making a claim

In the event of a claim it is good to understand the process so you know what to do and what to expect. Our claims team will support and guide you through the claim process.

What to do in the event of a claim

1	Secure your building and contents Do what you can to prevent further loss, damage, cost or liability.
2	Report the incident Report the incident or loss to the police immediately if the claim involves theft, attempted theft, malicious acts, civil unrest or impact by a vehicle and obtain an event number.
3	Call us Call our claims team on 1300 370 456 and report the incident.

Do not:

- admit guilt, fault or liability except to the police;
- offer or negotiate to pay any claim;
- approve any repairs, except essential repairs needed to minimise or prevent further loss or damage; or
- dispose of any damaged property.

Assessing your claim

After you have lodged a claim with us we will assess it. When we are doing this, we may ask you for information or assistance to help with the process.

We may ask you for:

- a face-to-face or telephone interview;
- written statements under oath;
- relevant documents;
- proof of value and ownership that we need regarding lost or damaged items, such as receipts, invoices, bank or credit card statements, contracts of sale or original photographs;
- details of any other insurance that relates to the claim.

We will require you to:

- let us see or take possession of any damaged property;
- keep items that have been damaged and allow us to inspect them or assess repair costs;
- make your building and contents available for inspection by us or an assessor or agent appointed by us or when diagnosis is required;
- send us any communication you receive about the claim from anyone else (including letters of demand and communication about court proceedings); and
- do everything you can to help us to negotiate, defend or settle your claim or to recover costs from another party responsible for the loss or damage to your building and contents.

Claims for your building

If your building is insured and we agree to settle a claim, we will settle up to the sum for which your building is insured, or any lesser limit that applies, less any applicable excess. If your building is destroyed or damaged as a result of an Insured event and we accept your claim which occurs during the period of insurance, we will rebuild or repair your building as new, or pay you the cost of rebuilding or replacing it, at our discretion up to the building sum insured shown on your Certificate of Insurance.

However, if you decide not to proceed with the rebuild or repair of your building we will pay the lesser of:

- the rebuild or repair cost; or
- the difference in the value of your building and the land it is situated on before the damage occurred and the value of the building and land after the damage has been sustained.

We will only pay to repair or rebuild that part of your building that was damaged. We do not cover any additional expenses to replace undamaged parts of your building to create a uniform appearance. Where the original materials used to build your home are not available within Australia, we will pay for the cost of materials we believe to be of a similar kind or quality.

Claims for your contents

If your contents are insured and we agree to settle a claim, we will settle up to the sum for which your contents are insured, or any lesser limit that applies to the item, group of items or event, less any applicable excess.

If your contents are lost or damaged by an Insured event which occurs during the period of insurance, we will at our discretion:

- repair or replace any lost or damaged item; or
- pay you the cost of repairing or replacing the item, either in cash or in pre-paid store cards/vouchers, at our discretion (if unusual circumstances exist), based on the amount that it would have cost us to repair or replace it.

Where we can, we will match materials and contents. Where this is not possible, we will use materials and contents that in our opinion match as closely as reasonably possible.

If the lost or damaged item is part of a pair or collection, we will only pay for the repair or replacement of the damaged or lost item. We will not pay for any resulting decrease in the value of the collection.

Claims for the replacement or repair of damaged fixed carpets will be limited to the passageway, room or stairwell where the damage occurred.

Contents (in the home you live in)

Replacement is on a new for old basis but this does not apply to computers more than 4 years old, or to any clothing, shoes or household linen or items out of use, such as those stored away in cupboards. For these items we will pay the reasonable market value based on their age and condition at the time of loss.

Landlords contents

Replacement is on a new for old basis but does not apply to second-hand furniture or electrical items which were more than three years old at the time that they came into your possession.

How claims impact your insurance

After we pay a claim under your policy, other than a claim for a total loss, the amount you are insured for will remain the same as the value shown on your Certificate of Insurance at the date of loss.

If a claim is paid for any item individually listed on your Certificate of Insurance, that item will be removed from your policy and you will have to notify us to add the replacement item and pay any additional premium if required. If a claim is for the total loss of your building or contents, your insurance will cease as soon as we accept liability. No premium refund is due if you have paid your premium annually. If you are paying your premium monthly, we will deduct the balance of the yearly premium from the claim settlement. You will need to contact us if you want to apply for a new policy for the building or contents you replace.

If there is a mortgage over your property

If a mortgagee (usually your bank or credit provider) is noted on your Certificate of Insurance and you have a claim and we agree to settle on a cash basis, we will, if legally obligated, make this payment to the mortgagee in full or part settlement of your claim. In this situation, we will pay the mortgagee the amount we agree to pay to settle the claim, up to the amount outstanding under your mortgage. We only cover your interest in the insured property, unless we specifically include cover for the interest of a third party.

Understanding your excess

An excess is the amount(s) of money you pay or must contribute towards the cost of any claim. All excess amounts relevant to your cover will be shown on your Certificate of Insurance.

Excess types

There are different types of excesses, depending on what your claim relates to and the type of cover you have chosen. You will find the amount of each excess on your Certificate of Insurance.

If you have a claim for an earthquake or flood you will be subject to the higher of your selected basic excess or a fixed excess of \$500 for each event.

Landlords claims made under:

- the Additional benefit cover for 'Malicious acts and theft by tenants' will be subject to the higher of either your selected basic excess or a fixed excess of \$500 for each event.
- the Optional benefit cover for 'Rent default and legal expenses' will be subject to a fixed excess of \$400.

If you take the Optional benefit for either 'Electrical motor burnout' or 'Portable valuables' cover a fixed excess of \$100 applies for any claim made under this benefit. Your selected basic excess does not apply for this benefit.

When to contact us

Changing your cover

We understand that your circumstances may change. If this occurs we need you to contact us promptly to apply to amend cover during the period of insurance. It is important to note that if you make a request to amend your cover this may affect your premium.

Any proposed changes to your cover will be subject to acceptance at our absolute discretion.

Renewing your policy

1	To ensure continuing protection we will normally send you a renewal offer at least 14 days prior to the renewal date of the policy. It will set out information such as the premium and excess for the new period, information you have previously told us and may also include notice of any proposed changes to the terms of the policy to be renewed.
2	Where you receive a renewal offer, you must tell us if the information contained in it is incorrect or incomplete and you must continue to comply with your 'Duty of Disclosure' (see page 48). If you do not we may reduce or refuse to pay a claim or cancel the renewed policy.
3	If nothing needs to be disclosed and you are happy with the renewal offer you do not have to do anything as we will automatically renew on those terms and deduct/charge the renewal premium from your nominated account/credit card, unless you tell us not to. If you do not wish to take up the renewal offer you must contact us prior to the renewal to advise us.
4	If we do not offer to renew your policy, we will send you a notice telling you this.

Each renewal is a separate policy, not an extension of the prior policy. Your cooling off period will apply on each renewal.

This PDS (together with any amendments, updates or endorsements) also applies for any offer of renewal we make, unless we tell you otherwise or issue you with a new updated PDS or Supplementary PDS amending the PDS terms.

Cancelling your policy

If you want to cancel

You may cancel your policy at any time by contacting us. We may charge you the cancellation fee specified in the Certificate of Insurance to cover the administration costs if you cancel after your cooling off period.

If you paid an annual premium, we will refund the full amount, less:

- the amount covering the period you were insured for;
- the cancellation fee; and
- government or statutory charges we are unable to recover.

If you pay your premium by monthly instalments we will not provide a refund.

When we may cancel your policy

We may cancel your policy where permitted by and in accordance with the law. For example, if you:

- do not comply with the policy terms and conditions;
- do not pay your premium as agreed;
- make a fraudulent claim;
- did not comply with your Duty of Disclosure; or
- misrepresented information when you entered into your policy.

If we pay a claim for a total loss, your policy comes to an end and there is no refund of premium.

How we protect your privacy

We will at various times or stages during our communication with you collect some of your personal information.

We collect personal information to provide, offer and administer our various products and services, or otherwise as permitted by law.

We may collect your personal information so that we or our related entities or other third parties with whom we have a relationship can develop or offer you services or products which we believe may be of interest to you, however we will not do so if you tell us not to.

Collection can take place by websites, email, telephone or in writing. If you do not consent to us collecting and using the personal information we request, we may not be able to provide you with our services or products.

We may at times also disclose your personal information to our related companies or third parties who provide services on our behalf; however we will never sell, rent or trade your personal information. It may happen that we disclose personal information to related companies or service providers located in countries other than Australia. These details can change from time to time and you should contact us for further details to see if this applies to you.

Claim payments and Goods and Services Tax (GST)

Any claim payments made under this policy will be based on GST inclusive costs, up to the relevant amount covered, or maximum amount that we pay. However, if you are, or would be, entitled to claim any input tax credit for the repair or replacement of insured property or for other things covered, we will reduce any claim under the insurance by the amount of such input tax credit.

You are required to tell us your entitlement to an input tax credit. If you fail to disclose or understate your entitlement, you may be liable for GST on a claim we pay.

Financial Claims Scheme

Hollard is authorised under the Insurance Act 1973 to carry on general insurance business. This Act contains prudential standards and practices to ensure that financial promises made by Hollard are met. Because of this, Hollard is exempt from the requirement to meet the compensation arrangements Australian Financial Services Licensees must have in place to compensate clients for loss or damage suffered because of breaches by Hollard or its representatives.

The protection provided under the Federal Government's Financial Claims Scheme applies to Hollard. If Hollard is unable to meet its financial obligations a person may be entitled to payment under this Scheme. Information about this Scheme can be obtained from the APRA website at fcs.gov.au or their hotline on 1300 55 88 49.

The General Insurance Code of Practice

The Insurance Council of Australia Limited has developed the General Insurance Code of Practice, which is a self-regulatory code for use by all insurers. The Code aims to raise the standards of practice and service in the insurance industry. We are a signatory to the Code.

You can obtain a copy of the Code from the Insurance Council of Australia website at insurancecouncil.com.au or by phoning (02) 9253 5100.

If the change is relatively small and will not affect your decision to buy or renew this cover, we will list the details at domaininsure.com.au.
