PART

I

1. Introduction:

Section 77(1) of the Representation of the People Act, 1951 makes it mandatory for every candidate to the House of the People or a State Legislative Assembly to keep a separate and correct account of all expenditure incurred or authorized by him or by his election agent, between the date on which he was nominated and the date of declaration of the result of election, both dates inclusive. The total of the said expenditure shall not exceed such amount as may be prescribed under Section 77(3) of R.P. Act, 1951. Under Section 77(2), the account shall contain such particulars as may be prescribed. Rule 90 of the Conduct of Elections Rules, 1961 prescribes varying limits of election expenditure for Parliamentary and Assembly Constituencies in each of the States and Union Territories. Particulars, which have to be shown in the account, are prescribed in Rule 86 of those Rules. The ceilings on expenditure as prescribed are enclosed at **Annexure 1**. Failure to maintain the account is an electoral offence under Section 171-I of the Indian Penal Code.

The incurring or authorizing of expenditure in excess of the limit prescribed under Section 77(3) of R.P. Act, 1951 is a corrupt practice with reference to Section 123(6) of the R.P. Act, 1951. The beneficial object sought to be achieved by making the incurring or authorizing of election expenditure in excess of the prescribed limit as a corrupt practice was elucidated by the Supreme Court in *Kanwar Lal Gupta vs Amar Nath Chawla* (AIR 1975 SC 308), as follows:

“... The object of the provision limiting the expenditure is two fold. In the first place, it should be open to any individual or any political party, howsoever small, to be able to contest an election on a footing of equality with any other individual or political party, howsoever rich and well financed it may be, and no individual or political party should be able to secure an advantage over others by virtue of its superior financial strength....

The other objective of limiting the expenditure is to eliminate, as far as possible, the influence of big money in the electoral process. If there was no limit on expenditure, political parties would go all out for collecting contributions... The pernicious influence of big money would then play a decisive role in controlling the democratic process in the country....”

According to Section 78 of R.P. Act, 1951, every contesting candidate is required to lodge a true copy of the account of his election expenses with the District Election Officer (DEO) within 30 days of the declaration of the result of the election. Failure to lodge the account of election expenses within the time and in the manner required by law without good reason or justification may result in disqualification of the candidate concerned by the Election Commission of India under Section 10A of R.P. Act, 1951.

The Supreme Court has held in L.R. Shivaramagowde vs. P.M. Chandrashekar - AIR 1999 SC 252 that the Commission can go into the correctness of the account of election expenses filed by the candidate and disqualify a candidate under Section

10A of the Representation of the People Act, 1951 in case the account is found to be incorrect or untrue. Thus not only a candidate is required to keep his election expenses within the ceiling prescribed by law, he has also to maintain a day to day and true account of his election expenditure in the prescribed manner, present the account for inspection by the Observer, RO or authorized person and submit it to the DEO concerned within 30 days of the declaration of the result. Exceeding the prescribed ceiling of expenditure can be a ground for an election petition against a winning candidate. The legal provisions regarding election expenditure are set out in **Annexure-1** of this Compendium. Instructions have been issued by the Commission from time to time on monitoring of election expenditure and its scrutiny. This Compendium brings together at one place the relevant provisions of law and instructions to be followed scrupulously by election officers, observers, candidates and political parties for effective monitoring and scrutiny of election expenditure.

2. Types of Election Expenditure:

Election expenditure can be broadly put in two categories. The first type is the election expenditure, which is allowed under the law for electioneering, subject to it being within the permissible limit. This would include expenditure connected with campaigning like on public meetings, public rallies posters, banners, vehicles, advertisements in print or electronic media etc. The second category of the expenditure is, on items which are not permitted under law. For example, distribution of money, liquor, or any other item to the electors with intent to influence them comes under the definition of bribery and is an offence under the IPC and corrupt practice under the R.P. Act, 1951. The expenditure on such items is illegal. Yet another form of expenditure which is coming to the fore in recent times is on Surrogate Advertisements, *Paid News* etc. The purpose of election expenditure monitoring is, therefore, twofold. For the first category of expenditure, it must be ensured that all election expenditure on permitted items is truthfully reported and considered while scrutinizing the expenditure account submitted by the candidates. As far as the second category of expenditure including surrogate advertisements, paid news etc., is concerned, it is obvious that it will never be reported by the political parties/ candidates. The systems should be robust enough to catch such expenditure as well, and not only include it in the account of election expenditure, but also take action against the wrongdoers under the relevant provisions of the law, including lodging of complaints before the police/ competent magistrate, if required.

3. Election Expenditure Monitoring mechanism:

For monitoring day to day election expenditure incurred by the candidate, election expenditure mechanism will be put in place in each constituency. Maintenance of the day to day account of election expenditure by the candidate is mandatory. Though the account of election expenditure is required to be submitted within 30 days from the date of the declaration of the result, the monitoring has to be done on a regular basis during the campaign period for it to be of any use. After the campaign is over it will be difficult to get any evidence of election expenditure. Since the DEO is required under the law to scrutinize and submit a report to the Commission after the election, it

is primarily the duty of the DEO to collect proper evidence during election campaign, based on which it will be decided whether any expenditure is left out in the statements of accounts submitted by the candidates. The following will be the structure of the expenditure monitoring mechanism:

If a star campaigner of another political party /a party in alliance with the party of the candidate attends the rally and takes the name of the candidate or shares dais with the candidate then the travel expense of that campaigner of allied party up to the constituency is not exempt and should be added to the candidate's expenses. In this regard Commission's instructions contained in its letter no.437/6/2008-CC & BE, dated 24-10-08, relating to use of helicopters are enclosed at **Annexure-25**.

5.6.5 All expenditure including lodging/boarding expenses of star campaigners in the constituency where they campaign for any candidate shall be included in the expenditure account of that particular candidate, provided that -

(a) the Star Campaigners/Campaigners have actually campaigned for the candidate, and

(b) the Star Campaigners/Campaigners have incurred such boarding and lodging expenditure while remaining in a commercial hotel or lodge for the purpose of election campaign of the candidate irrespective of the fact whether the payment is made by such candidate or not.

The market value of such commercial boarding and lodging is to be calculated towards the election expenditure of the candidate, even if the boarding and lodging is provided as complimentary. If the star campaigner while availing the boarding and lodging in one constituency, travels to another constituency to campaign for other candidates, then the lodging and boarding expense will be proportionately distributed as the expense of those candidates. A notice may be issued in all such cases and it should be processed accordingly. (**Annexure 55**)

5.7.1. Monitoring of Campaign through Electronic/ Print Media including Cable Network:

The District Election Officer should closely watch the campaign through Electronic/ Print Media including Cable Network, radio etc. A meeting shall be taken by the DEO with the political parties and also with the representative of news papers and Televisions channels separately to clearly tell them that all the advertisements issued/published by them would have to be properly owned and any practice of surrogate advertising will be dealt with sternly. The DEO will take particular care to alert political parties, candidates and media that 'news reports' based on 'payments', generally described as *Paid News* will be accounted through newly established mechanism and they must refrain from such practice. The DEO will also explain the new Expenditure Monitoring Mechanism and related legal provisions. He shall request the political parties to exercise self-restraint and to advise all their candidates to exercise similar restraint on expenditure. At the state level, the Chief Electoral Officer shall do the same exercise.

5.8.1. Monitoring of Printing of pamphlets, posters etc.

The District Election Officers shall, within three days of the announcement of elections by the Commission, write to all the printing presses in their districts, pointing out the requirements of Section 127-A of RP Act 1951, and informing them that any violation would invite stern action including the revocation of the license of the printing press under the relevant laws of the State. They should be specially instructed to indicate

clearly in the print line the names and the addresses of printer and publisher of any election pamphlets, posters, and such other material printed by them. Copy of the printed material and the declaration of the publisher as required under section 127A(2) of R P Act 1951 is to be sent by the printer to the DEO and if it is printed in State Capital, then to the CEO within 3 days of such printing. Detailed instructions on the subject are contained in the Commission's letter no. 3/9/(ES008)/94-JS-II dated 2nd September 1994 (**Annexure-18**).

5.8.2. As soon as the DEO receives any election pamphlets or posters, etc., from a printing press, he shall examine whether the publisher and the printer have complied with the requirements of law and directions of the Commission. He shall also cause one copy exhibited on his notice board so that all political parties, candidates and other interested persons may be able to check whether the requirements of law have been complied with.

5.8.3. In all such cases where there is violation of the provisions of Section 127-A of R P Act 1951, complaint should be filed by the DEO against the offenders in the competent court. These cases should be given wide publicity and pursued vigorously in the courts concerned. Copies of the printed materials along with the statements showing cost of printing should be given to the accounting teams for inclusion in the Shadow Observation register.

5.9.1. Monitoring of use of vehicles during electioneering:

Each candidate shall submit before the R.O., details of all vehicles proposed to be used by him for his election campaign. The R.O. will issue permits for use on the same day. The vehicle permit obtained from the concerned RO is to be displayed on the front screen of the vehicle. Two-wheelers (Motorbikes, Scooters, Mopeds), Cycle Rickshaw, etc, are also vehicles for the purposes of these instructions and the permit in such cases is to be shown on demand. These details should be given to the accounting teams for inclusion in the Shadow Observation Register.

5.9.2. If a vehicle is found being used for campaigning without written permission of the RO, it shall be considered unauthorized campaigning for the candidate and will attract penal provisions of Section 171H of the Indian Penal Code. It shall therefore be immediately taken out of the campaigning exercise. In addition, the expenditure on this vehicle will also be added in the Shadow Observation Register.

5.9.3. The permission given for the use of vehicle during election is to be withdrawn by the RO immediately, if the candidate has not submitted his account for inspection, in spite of notice by the RO, and the permission will not be granted till the accounts are submitted for inspection by the candidates.

Commission's instructions given in its letters, dated 29-12-2005 and 18-03-1997, enclosed at **Annexure 30 & 31** may also be followed for further guidance.

5.9.4. If the vehicle for which permission is given to a particular candidate is being used for campaign purpose by or for another candidate, then the permission has to be withdrawn

and the vehicle is to be seized by the Flying Squad. Report should also be given by Flying Squad to the Assistant Expenditure Observer for adding the expenditure in the hands of the candidate who was actually using this vehicle.

5.10. Monitoring of expenses on constructions of barricades and rostrums etc.

If expenses on construction of barricades/ rostrums etc. are made by the Government agencies on account of security considerations, it should be booked as expenditure of the candidate in whose constituency the meeting takes place. If a group of candidates are present at the dais at the time when the leader of a political party addresses such a meeting, the expenditure will be apportioned equally amongst them. The District Election Officer shall obtain the details of expenditure from the concerned Government agencies within three days of the event and intimate to the candidates, their respective share of expenditure and mark a copy to the Accounting Team for entering in the Shadow Observation Register. In case any private agency is engaged in construction of rostrum or barricade, the R.O. shall call for the information of expenditure from such agency within three days. If any travel agency is engaged to provide the transport facility, the R.O. shall call for the expenses details from such agencies within 3 days. This information will also be intimated to the R.O. and the D.E.O. of the constituency/ district if any such candidate belongs to another district. Commission's instructions contained in its letter, dated 10-04-2004 shall also be followed regarding expenditure incurred on barricades and rostrums etc.(Annexure-32).

5.11. Other Monitoring Mechanism :

5.11.1. Monitoring of Accounts of Self Help Groups, NGOs etc.

There have been complaints pertaining to Self Help Groups, NGOs etc. being made conduits by the political parties/ candidates for distribution of money/ materials and are being utilized for election campaigns. Inasmuch as the revolving fund/ economic assistance is channelised through the DRDAs, it should be easily possible to monitor the SHGs closely so as to ensure that they are not utilized for distribution of money/ materials which is a corrupt practice and an electoral offence with reference to the provisions of the RP Act, 1951 and the IPC. The DEOs shall call for report on alternate day of the SHG /NGO activities in their district during the election process.

5.11.2. Checking Distribution of gift articles/ serving of food in Marriage/ Community Halls:

There are frequent complaints of Marriage/ Community halls or other big Halls being utilized in the past for distribution of gift articles (like dhotis/ sarees)/ serving of food etc. The use of Marriage Halls/ Community Halls and similar places during election period should be kept under watch by the District electoral machinery with reference to the purpose of booking for which some evidence (like marriage invitation) must be obtained so that there is no camouflage of expenses for election purposes. The DEOs shall collect daily reports of such bookings and see that no fake party is being organized for influencing the voters. Report of any suspicious booking/event should be handed

over to the Assistant/Dy. Director of Income Tax, in charge of the district, who will examine the expenses from Income tax angle. Large scale feeding under the cloak of “Annadanam” outside places of worship will give room for suspicion that serving of food is being resorted to influence the voters on the eve of the election, which is a corrupt practice and an electoral offence with reference to Section 123 of the Representation of the People Act, 1951 and the provisions in Chapter IX-A of IPC. The CEOs/ DEOs should ensure that in case of any suspicion about feeding on a large scale, necessary steps should be taken to prevent it.

5.11.3. Checking Distribution of Tokens to be exchanged for gifts or cash or distribution of money through various means:

Another form of corrupt practice in respect of which there have been complaints in the past relates to distribution of tokens by parties/candidates to the voters. It is also reported that token distribution is done at the time of Aarti offering or in meetings/ functions and pawn brokers are used as channels for bribing the voters. In order to ensure that there is no scope for misuse, token distribution through any method including in meetings/ functions held for election campaigning or social gatherings should be checked by collecting proper evidences and lodging police complaints. The DEO should arrange meeting with citizen volunteers, Nehru Yuvak Kendras and other NGOs to get appropriate information in right time about such activities. The DEO shall also collect the list of pawn brokers and keep them under close watch including involving the Assistant Director / Deputy Director Income tax in charge of the district for necessary action under Income Tax Act.

5.11.4. Checking distribution of cash by candidates/ political parties along with disbursement of wages under any Government scheme:

Representations were made to the Election Commission alleging that money was being given on the eve of the elections by political parties/ candidates to workers over and above the wages due under the Govt. Schemes like Rural Employment Scheme, to influence the voters. It is to be noted that while poor people are not put to hardship due to the Model Code of Conduct, the disbursement of cash by political parties / candidates in addition to wages to which the workers are entitled under the Scheme, is not permissible. This is a corrupt practice and an electoral offence. The District Election Officers should monitor the disbursement of wages so as to ensure that there is no payment of cash or gift article by any candidate/ political party along with the wages under the Scheme.

5.11.5. Monitoring of Production, Storage and Distribution of liquor during elections:

In order to curb the liquor menace, the following actions shall be initiated from the date of the notification of elections till the date of poll:-

3. Inter State co-ordination among Excise Commissioners with bordering States should be done for monitoring of inter state movement of IMFL, Beer and Country Liquor.
4. District Level Nodal Officers and State Level Nodal Officer of Excise Department should be identified to monitor the above aspects, conduct raids to seize illicit liquor.
5. The District Level Nodal Officer will submit Report report on alternate day as per the proforma given in **Annexure- 22** of this Compendium for IMFL, Beer and Country Liquor in separate forms to State Level Nodal Officer with copy to the DEO and Expenditure Observers. 5.11.6. Monitoring of cash withdrawal from Banks:

The DEO shall ask all the banks to submit daily report on suspicious withdrawal of cash in a day exceeding Rs. 1,00,000/- from bank account of any individual person during election process. In case any suspicious nature of withdrawal of large amount of cash is noticed, necessary action may be taken and the information about large amount exceeding Rs.10 lakh shall be passed on by the DEO to the Assistant/Dy. Director of Income Tax in charge of the district for necessary action under Income Tax laws.

5.12.1. Monitoring by the Income Tax Department:

- 5.12.4.** Besides the above, the Investigation Directorate and Financial Intelligence Unit (FIU), Govt. of India will download from ECI website the copies of affidavits declaring assets and liabilities by the candidates. 10.1. Expenditure by Political Parties and other persons.

Section 77(1) of the Representation of the People Act, 1951, provides that every candidate contesting election shall keep a correct account of all election expenditure incurred or authorized by the candidate or his election agent. The expenditure incurred on travel by leaders of a political party whose names have been communicated to the Commission and Chief Electoral Officer within 7 days from the date of issue of notification of election as required under Explanation-2 to Section 77(1) is not deemed to be expenditure incurred or authorized by a candidate of that political party for the purpose of the said section. **If such intimation is not received from the party within the stipulated time, the expenditure on travel of such leaders shall be added to candidate's expenditure.**

10.2. The Supreme Court, in its judgment in *Kanwar Lal Gupta Vs. Amar Nath Chawla* (A.I.R. 1975 SC 308), dated 10-04-1974 has held that the expenditure incurred by the political party which can be identified with the election of a given candidate, as distinguished from expenditure on general party propaganda, would be liable to be added to the expenditure of that candidate as being impliedly authorized by the candidate. The expenditure incurred by a political party on advertisements, in connection with any election could be categorized into the following:

- (i) Expenditure on general party propaganda seeking support for the party and its candidates in general, but, without any reference to any particular candidate or any particular class/group of candidates.
- (ii) Expenditure incurred by the party, in advertisements etc., directly seeking support and / or vote for any particular candidate or group of candidates.
- (iii) Expenditure incurred by the party, which can be related to the expenditure for promoting the prospects of any particular candidate or group of candidates.

10.3. Applying the ratio of the judgment in Kanwarlal Gupta's case, it is clarified that in the case of any advertisement by political parties, whether in print or electronic or any other media, falling in category (i) above, which is not relatable to the election of any particular candidate or a given group of candidates, the expenditure may be treated as expenditure of the political party on general party propaganda. In the cases of expenditure falling in categories (ii) and (iii) above which is relatable to a particular candidate or group of candidates, the expenditure shall be treated as expenditure

authorized by the candidate concerned and such expenditure shall be accounted for in the election expenditure of the said candidate or group of candidates.

- 10.4.** The travel expenses of a leader of a political party covered under Explanation-2 to Section 77(1), will still be accounted for in the election expenditure of the candidate where such leader happens to be himself a candidate. When he goes out of his constituency to other constituencies or comes back to his own constituency from other constituencies as a star campaigner, the expenditure on his travel from his constituency to other constituencies and back would fall within the exempted category. Once he reaches his constituency and travels within his own constituency, expenditure on such travel would be liable to be accounted for by him in his election expenditure.
- 10.5.** The lump sum amount given either in cash or in kind by the political party shall be reported by the party as well as the candidate in his day to day accounts and the abstract statement of election expenses, required to be filed within 30 days of declaration of result.
- 10.6.** The expenditure in kind like party posters or banners or advertisements, without the name or photograph of the candidate is to be shown as party expenditure by the political party. Even the party expenditure during the period after announcement of election by ECI and before notification of election, has to be shown by the political party as its election expenditure. The political party shall forward its election expenditure in prescribed format along with scanned soft copy to the Election Commission within 75 days of Assembly poll or 90 days of Lok Sabha poll.
- 11.1. Scrutiny of the Statement of Accounts and the DEO's Report to the Commission.**
- Under Rule 89 of the Conduct of Elections rules, 1961 the District Election Officer has to report to the Commission whether the candidate has lodged his account of elections expenses, and whether in his opinion such account has been lodged within time and in the manner required by the Act and the Rules. The DEO shall send the candidate wise scrutiny report and summary report of all the candidates as per the format enclosed as **Annexure 21** to CEO of the State within 45 days of declaration of results. Where the DEO is of the opinion that the account of the election expenses of any candidate has not been lodged in the manner required by the Act and these rules and he has the reason to believe that the expenditure statement submitted by the candidate is not a true account of his expenditure, then the DEO should record the reason and report to the Commission that the Account statement is not in the manner prescribed. He shall with every such report forward to the Election Commission the comments of Expenditure Observer, original account of election expenses of that candidate including the vouchers and his comments citing defects in the said account and he will retain a photocopy of such account.
- 11.2.** Scrutiny of accounts shall be done by the DEO to determine whether the account submitted by the candidate is a true account of his election expenditure or the candidate has hidden or under valued some part of his election expenditure. The Expenditure Observer, the Assistant Expenditure Observer and the Nodal Officer of Expenditure

Monitoring Cell will help the DEO in the examination of accounts and preparation of his report to the Commission in modified form. The Shadow Observation Register and the Folder of Evidence should be taken into account while examining the accounts and forwarding the DEO's report to the Commission. The account of expenditure submitted by the candidate should be compared with the Shadow Observation Register. All notices issued earlier to the candidate or his election agent and replies received, if any, must be considered as evidence during scrutiny of account by the DEO. All the remarks made by the Observers or any other officer in the expenditure register of the candidate or on any other authorized document should be taken into consideration while scrutinizing the correctness of the account of elections expenses filed by the candidates. The Expenditure Observer shall give his comments on the Scrutiny Report. If he does not agree with the DEO, he shall mention the facts citing the evidences, in the space mentioned in the DEO's Scrutiny report.

11.3. During scrutiny, if the DEO finds that the expenditure in respect of any item or event as per the Shadow Observation Register is higher than the figure reported by the candidate, and the notices have not been issued by the RO earlier, then he will direct the RO to issue notice to such candidate mentioning such discrepancy and evidences gathered during the election period. The DEO shall forward his scrutiny report with his comments after considering the replies from such candidates. It may be ensured that the notices are served properly and acknowledgments are duly obtained. If the candidate fails to respond to the notice validly served on him within the time stipulated for this purpose in the notice, the DEO shall send his report to the Commission through CEO with his appropriate comments. Complaints with respect to election expenditure and reports of inquiry on these complaints should also be considered during the scrutiny.

11.4 The Expenditure Observer, during his second visit will report to the Commission in his 3rd and final report (**Annexure 5**) and simultaneously he has to give his comments in the prescribed para and the DEO's report based on the facts mentioned in the `Shadow Observation Register` and `Folder of Evidence`. He has to ensure that the same has been incorporated in the DEO's Scrutiny Report (**Annexure 21**). In case of any item of expenditure not considered in the DEO's report, he will bring it to the notice of the DEO asking him to incorporate the same in his report to the Commission and make suitable comments on the DEO's report.

Hence, DEOs are advised to keep ready their respective scrutiny reports along with the Shadow Observation Register, Folder of Evidence and other related documents, in respect of all candidates before the 2nd visit of Expenditure Observer for their comments on it.

12. Report by the CEO

2. Whereas. Sub - rule (3) of Rule 7 of the Cable Television Network (Regulations) Rules, 1994 laying down the advertising code in terms of the abovementioned Section 6 provides that “no advertisement shall be permitted the objects whereof are wholly or mainly of a religious or political nature advertisements must not be directed towards any religious or political end” and

4. Whereas the Hon’ble Supreme court by its interim order dated 2-4-2004 in SLP (Civil) No.6679 2004 (Ministry of Information & Broadcasting Vs Ms Gemini TV and Others), in substitution of the order under challenge, had directed as below. –

5. Whereas. The Hon’ble Supreme Court of India by its further order dated 13th April, 2004. in SLP (Civil) No.6679/2004. has directed as follows:

“—Before we pass the order, it will be worthwhile to notice certain provisions of the Cable Television Networks (Regulation) Act, 1995 (for short, “the Act”], as amended from time to time, and the Rules framed there under. The object of the Act is to regulate the operation of the cable television network in the country. Section 6 of the Act provides that no person shall transmit or retransmit through a cable service any advertisement unless such advertisement is in conformity with the prescribed advertisement code. Section 11 of the Act provides that if any authorized officer has reason to believe that the provisions of the Act have been or are being contravened by any cable operator, he may seize the equipment being used by such cable operator for operating the cable television network. Section 12 of the Act provides for confiscation of the equipment in the event of any violation of the provisions of the Act. Similarly, Section 13 of the Act also provides for seizure or confiscation of the equipment and punishment. Section 16 further provides for

punishment for contravention of the provisions of the Act. Section 19 lays down that an authorized officer, if he thinks necessary or expedient so to do in the public interest, may, by order, prohibit any cable operator from transmitting or re-transmitting any advertisement which is not in conformity with the prescribed programme code and advertisement code and it is likely to promote enmity on grounds of religion, race, language, caste or community or any other grounds whatsoever, disharmony or feelings of enmity, hatred or ill-will between different religion, racial, linguistic or regional groups or castes or communities or which is likely to disturb public tranquility. Section 22 of the Act empowers the Central Government to frame Rules to carry out the provisions of Act. The Central Government in exercise of the powers conferred on it by Section 22 of the Act is empowered to make Rules which are known as The Cable Television Networks Rules, 1994 [for short, "the Rules"]. Rule 7 of the Rules provides that where an advertisement is carried in the cable service it shall be so designed as to conform to the laws of the country and should not offend morality, decency and religious susceptibilities of the subscribers. Sub-rule (2), inter-alia, provides that no advertisement shall be permitted which derides any race, caste, colour, creed and nationality, is against any provision of the Constitution of India and tends to incite people to crime, cause disorder or violence or breach of law or glorifies violence or obscenity in any way. Sub-rule (3) further provides that no advertisement shall be permitted the objects whereof are wholly or mainly of religious or political nature, advertisements must not be directed towards any religious or political end. It is in this background, we now propose to pass the following order:

Every registered National and State, political party and every contesting candidate proposing to issue advertisement on television channel and/or cable network will have to apply to the Election Commission/Designated Officer (as designated by the Election Commission) not later than three days prior to the date of the proposed commencement of the telecast of such advertisement. In case of any other person or unregistered political parties, they will have to apply not later than seven days prior to the date of the telecast. Such application shall be accompanied by two copies of the proposed advertisement in electronic form along with a duly attested transcript thereof. In case of first phase of elections, the application shall be disposed of within two days of its receipt and until decision thereon is taken, our order dated 2nd April, 2004, shall apply. In case of subsequent phase of election, the application shall be disposed of within three days of its receipt and until the decision thereon is taken, our order dated 2nd April, 2004, shall apply. While disposing of such applications, it will be open to the Election Commission/Designated Officer to direct deletion/modification of any part of the advertisement.

The application for certification shall contain following details:

- (a) The cost of production of the advertisement;
- (b) The approximate cost of proposed telecast of such advertisement on a television channel or cable network with the break-up of number of insertions and rate proposed to be charged for each such insertion;
- (c) It shall also contain a statement whether the advertisement inserted is for the benefit of the prospects of the election of a candidate(s)/parties;
- (d) If the advertisement is issued by any person other than a political party or a candidate,

that person shall state on oath that it is not for the benefit of the political party or a candidate and that the said advertisement has not been sponsored or commissioned or paid for by any political party or a candidate; and

- (e) A statement that all the payments shall be made by way of cheque or demand draft.

We find that Section 2ia) of the Act defines “authorized officer”, within his local limits of jurisdiction, as (a) District Magistrate; (b) Sub-divisional Magistrate; or (c) or Commissioner of Police. Similarly, Section 28 A of the Representation of People Act, 1951 provides that the Returning Officer, Assistant Returning Officer, Presiding Officer, Polling Officer and any other officer appointed under this part and any police officer designated for the time being by the State Government, for the conduct of any election shall be deemed to be on deputation to the Election Commission for the period commencing on and from the date of the notification calling for such election and ending with the date of declaration of results of such election and, accordingly, such officer shall during that period, be subject to the control, superintendence and discipline of the Election Commission.

Since it is not physically possible for the Election Commission to have a pre-censorship of all the advertisements on various cable networks and television channels, it has become necessary to authorize the Election Commission to delegate its powers in this behalf to the respective District Magistrates of all the States or Union Territories, not below the rank of a Sub-divisional Magistrate or a member of the State Provincial Civil Service. This may be done by a general order issued by the Election Commission. These officers shall act under the control, superintendence and discipline of the Election Commission. The Election Commission in its turn may delegate its powers to the Chief Electoral Officer of each State or the Union Territories, as the case may be.

The Chief Electoral Officer of each State or Union Territory may appoint a committee for entertaining complaints or grievances of any political party or candidate or any other person in regard to the decision to grant or to refuse certification of an advertisement. The committee so appointed shall communicate its decision to the Election Commission.

The committee so constituted will function under the overall superintendence, direction and control of the Election Commission of India.

The decision given by the committee shall be binding and complied with by the political parties, candidates, or any other person applying for advertisements in electronic media subject to what has been state above.

The comments and observations for deletion or modification, as the case may be, made, shall be binding and complied with by the concerned political party or contesting candidate or any other person within twenty four hours from the receipt of such communication and the advertisement so modified will be re-submitted for review and certification.

We may clarify that provisions of Section 126 of the Representation of People Act. 1951, shall apply to the advertisement covered by this order.

If any political party, candidate or any other person is aggrieved by the decision taken either by the committee or by the Designated Officer/Election Commission it will be open for them to approach only this court for clarification or appropriate orders and no other court,

tribunal or authority shall entertain any petition in regard to the complaint against such advertisement. This order shall come into force with effect from 16th April, 2004 and shall continue to be in force till 10th May, 2004.

This order is being issued in exercise of the powers under Article 142 of the Constitution of India and it shall bind all the political parties, candidates, persons, group of persons or Trusts who propose to insert the advertisement in the electronic media, including cable network and/or television channels as well as cable operators.

It will be open to the Election Commission to requisition such staff as may be necessary for monitoring the telecast *of such advertisements*. Where the Election Commission is satisfied that there is a violation of this order or any provisions of the Act, it will issue an order to the violator to forthwith stop such violations and it will also be open to direct seizure of the equipments. Every order shall be promptly complied with by the person(s) on whom such order is served.

The funds to meet the cost of monitoring the advertisements should be made available to the Election Commission by the Union of India. Adequate publicity of this order shall be given by the Union of India on the electronic media and through print media.

This order is in continuation of the order passed by this Court on 2nd April, 2004 and shall remain in operation as an interim measure till 10th May, 2004.

Subject to the aforesaid order, the judgment of the High Court of Andhra Pradesh dated 23rd March 2004 shall remain stayed. This order is passed not in derogation of but in addition to the powers of the Central Government in regard to the breach of the provisions of the Act.”

6. Now therefore, in pursuance of the aforesaid directions of the Hon’ble Supreme Court, the Election Commission, hereby directs as follows: -
 - (i) The Chief Electoral Officer Delhi is hereby directed to constitute a Committee comprising the following persons to deal with the applications by the political parties and organizations mentioned in para (ii) herein below.-

ELECTION COMMISSION OF INDIA
NIRVACHAN SADAN, ASHOKA ROAD, NEW DELHI-110 001.

No.3/9/(ES008)/94-J.S. II

Dated: 2nd Sept., 1994

ORDER

Subject : Restrictions on the printing on pamphlets posters etc.

The printing and publication of election pamphlets, posters, etc., is governed by the provisions of Section 127A of the Representation of the People Act, 1951. The said Section 127A provides as follows:-

“127A. RESTRICTIONS ON THE PRINTING OF PAMPHLETS, POSTERS ETC.

- (1) No person shall print or publish, or cause to be printed or published, any election pamphlet or poster which does not bear on its face the names and addresses of the printer and the publisher thereof.
 - (2) No person shall print or cause to be printed any election pamphlet or poster:-
Unless a declaration as to the identity of the publisher thereof, signed by him and attested by two persons to whom he is personally known, is delivered by him to the printer in duplicate; and
Unless, within a reasonable time after the printing of the document, one copy of the declaration is sent by the printer, together with one copy of the document.
 - (i) Where it is printed in the capital of the State, to the Chief Electoral Officer; and
 - (ii) in any other case, to the district magistrate of the district in which it is printed.
 - (3) For the purposes of this section:-
 - (a) Any process for multiplying copies of a document, other than copying it by hand, shall be deemed to be printing and the expression “printer” shall be construed accordingly, and
 - (b) “election pamphlet or poster” means any printed pamphlet, and bill or other document distributed for the purpose of promoting or prejudicing the election of a candidate or group of candidates or any placard or poster having reference to an election, but does not include any handbill, placard or poster merely announcing the date, time, place and other particular of an election meeting or routine instructions to election agents or workers.
 4. Any person who contravenes any of the provisions of sub-section (1) or sub-section (2) shall be punishable with imprisonment for a term which may extend to six months, or with fine which may extend to two thousand rupees, or with both.*
2. The above restrictions on the printing of election pamphlets, posters, etc., have been imposed under the law with a view to establishing the identity of publishers and printers of such documents, so that if any such document contains any matter or material which is illegal, offending or objectionable like appeal on ground of religion, race, caste, community or language or character assassination of an opponent, etc.,

necessary punitive or preventive action may be taken against the persons concerned. These restrictions also sub serve the purpose of placing a check on the incurring of unauthorized election expenditure by political parties, candidates and their supporters on the printing and publication of election pamphlets, posters, etc.

3. The Commission has noticed that the above provisions of law relating to printing and publication of election pamphlets, posters, etc. are being followed more in their breach than in their observance. At the time of elections, a large number of such documents are printed, published, circulated and pasted on the walls of private and Government buildings in respect of which the above mentioned requirements of law have not been complied with. The printing presses rarely send the printed documents to the Chief Electoral Officers or, as the case may be, the District Magistrates concerned along with the declaration obtained from the publisher as required under Section 127 A(2). Many a time, the election pamphlets, posters, etc. do not bear on the face the names and addresses of the printer and/or publisher thereof in violation of Section 127A (1).
4. It is further complained to the Commission that no timely action is taken against the offenders with the result that offending material is freely published and circulated with impunity. In this connection, attention is drawn to the following observations made by the Supreme Court in *Rahim Khan Vs. Khurshed Ahmed and others* (*AIR 1975 SC290):

“Even at this stage we may notice that the handbill in question does not contain the name of the printer and publisher although the election law so requires. Unfortunately, when such printed material is circulated, there is no agency of the law which takes prompt action after due investigation, with the result that no printer or candidate or propagandist during elections bothers about the law and he is able successfully to spread scandal without a trace of source, knowing that nothing will happen until long after the election, when in a burden some litigation this question is raised. Timely enforcement is as important as rule of law as the making of legislation.”

5. In order that in future there is strict observance of, and compliance with, the requirements of the above mentioned provisions of law on the subject, the Commission, in exercise of its powers under Article 324 of the Constitution and all other powers enabling it in this behalf, and in suppression of all its previous instructions on the subject, hereby directs as follows:-
 - (1) As soon as any election from a Parliamentary, Assembly or Council Constituency is announced by the Election Commission, the District Magistrates shall, within three days of such announcement of election, write to all printing presses in their districts.
 - (a) Pointing out to them the requirements of above mentioned Section 127A and specifically instructing them to indicate clearly in the print line the names and addresses of printer and publisher of any election pamphlets or posters such other material printed by them:

Election Commission's order No. 76/95/J.S.II dated 10.04.1995

ORDER

Subject: Language in which the accounts of election expenses may be filed by the contesting candidates.

1. The question of language in which a contesting candidate can file the return of account of election expenses under section 78 of the Representation of the People Act, 1951 has been examined by the Commission.
2. All statutory documents and forms under the election law are printed and made available in the local approved languages. Candidates and others are permitted to file miscellaneous petitions and representations in local languages. These documents are not rejected on grounds of their not being in English or Hindi.
3. It would be unjust to reject an election expenses return lodged by a candidate on the ground of its not being in English or Hindi in view of the fact that the candidates who are not well versed in these languages will feel deprived. If mistakes are found in returns of election expenses the same may be ascribed to lack of knowledge of English or Hindi.
4. Apart from the mandatory provision that all statutory documents and forms shall be prepared in local approved languages, the Commission also directs the Chief Electoral Officers in its various important orders and directions to get them translated into local languages if those orders or directions are meant for wide publicity and circulation among the political parties, candidates and public in the State.
5. Thus, in fairness to the contesting candidates at elections to the House of the People and the State Legislative Assemblies from different States and Union Territories, they will be permitted to file returns of election expenses in English, Hindi or the local language(s) in which the electoral rolls are printed. It shall be responsibility of the Chief Electoral Officers, District Election Officers and Returning Officers to ensure that all the contesting candidates get the forms/registers/extracts of rules relating to lodging of returns of accounts of election expenses in the approved regional language for electoral rolls so that no candidate may complain that he is not aware of the statutory requirements relating to filing the returns of election expenses and he is able to maintain his account from day to day properly and accordingly.

Election Commission's letter No. 437/6/1/2008-CC & BE Dated: 24th October, 2008 addressed to The Cabinet Secretary Government of India, the Chief Secretaries and the Chief Electoral Officers of all States and Union Territories.

Subject: Election Expenditure on travel by Lead Campaigners - Use of helicopter for election campaign, etc.

I am directed to state that according to sub-section (1) of section 77 of the Representation of the People Act, 1951 it is provided that “**Every candidate** at an election shall, either by himself or by his election agent, keep a separate and correct account of all expenditure in connection with the election incurred or authorized by him or by his election agent between the date on which he has been nominated and the date of declaration of the result thereof, both dates inclusive”. Under sub-section (2) it is provided that the account shall contain such particulars as may be prescribed, and under sub-section (3), it is laid down that the total of the said expenditure shall not exceed such amount as may be prescribed.

2. Explanation (1) to section 77(1) provides that the expenditure by leaders of a political party (usually referred to by us as star campaigners) on account of their travel by air or any other means of transport for propagating programme of a political party shall not be deemed to be expenditure in connection with the election incurred or authorized by a candidate of that political party.
3. The provisions of section 77(1) and Explanation (1) there – under have to be so harmoniously read that they do not nullify the main object underlying the provisions of section 77(1). Section 77(1) clearly stipulates that a candidate has to account for all his election expense, incurred or authorized by him or by his election agent. Explanation (1) is in the nature of an exemption from account of such expenditure which is incurred by the leaders of the political party in connection with the candidate's election, so that election campaign may be carried out in his constituency by leaders of his political party and any expenditure incurred on their travel by or any other means of transport may not form part of the candidate's overall expenditure. It therefore follows that a candidate who has been declared as leader by a Political Party for the purposes of Explanation to Section 77(1), cannot not considered to be a leader of his political party **in his own constituency** within the meaning of Explanation (1) to section 77(1), whatever may be his standing in relation to other candidates of his party in the other constituencies. In his own constituency(ies), he is a candidate first. Thus, whatever expenditure he incurs on his own travel within his constituency(ies), on his travel whether by helicopter/aircraft or by any other means of transport, the same has to be accounted for within his overall limit of maximum expenditure prescribed for his constituency. When he goes out of his constituency to the other constituency as a star campaigner, the expenditure on his travel from his constituency to the other constituency would fall within the exempted category, and so also his travel expenditure from the other constituency to his own constituency when he comes back for his own campaign would be so exempted. But once he reaches his constituency and travels within the said constituency, his expenditure on such travel within his constituency would be liable to be accounted for by him. Any other interpretation of the above mentioned provisions would defeat the very object underlying section 77(1). This would be more evidently glaring in the case of bye-elections where a political party may include the name of its candidate as a star campaigner and that would give him a license to travel within his constituency by adopting any means of communication and without accounting for the same.

ELECTION COMMISSION OF INDIA
Nirvachan Sadan, Ashoka Road, New Delhi 110 001.

No. 491/Media/2010

Dated: 8th June, 2010

To

Chief Electoral Officers
of all States and Union Territories

Sub: Measures to check 'Paid News' during elections i.e. advertising in the garb of news in Media

Sir/ Madam,

I am directed to invite your attention to the subject cited and to state that the recent phenomenon of 'Paid News', which is assuming alarming proportion as a serious electoral malpractice, has been causing concern to the Commission in the context of conduct of free and fair elections. Several political parties and media groups have also conveyed their similar concerns to the Commission. There has been dialogue of several stakeholders with the Commission at different platforms and there is near unanimity to take necessary steps to put a halt to such mal-practice which puts undue influence on the free will of the voters, encourages the role of money power in a covert manner and disturbs level playing field in elections. The practice of paid news has to be seen as an attempt to circumvent the provisions of Sections 77 and 123 (6) of R.P. Act 1951 which prescribe accounting and ceiling of election expenses and make exceeding such prescribed limits a corrupt practice in elections.

2. The Commission has directed that maximum vigilance may be observed by making use of the existing provisions of law so that the incidence of 'Paid News' or surrogate advertisements in Print and Electronic media in the context of elections is arrested. The cases of 'Paid News' generally manifest in the forms of news articles/reports published about a particular candidate or a party eulogising them, or similar news articles/reports denigrating the opponents, both intended at unduly influencing the voters. The same or similar type of news articles/reportings (with cosmetic modifications) appearing in more than one newspaper periodical would amount to further corroboration as circumstantial evidence that such news publication could result from collusion of the candidate/party with the editors, publishers, financiers of the newspaper etc. Such collusion would, however, have generally no transactional evidence of payment of consideration in cash or kind.

3. Legal provisions under Sec.127A of the R.P. Act, 1951 make it mandatory for the publisher of an election advertisement, pamphlet, etc., to print the name and address of the publisher as well as printer and failure to do so attracts penalty of imprisonment up to two years and/or fine of Rs.2000/-. Section 171 H of the IPC prohibits incurring of expenditure on, inter alia, advertisement without the authority of the contesting candidate. The Commission's detailed instruction No. 3/9/2007/JS-II dated 16th October, 2007 in this behalf may be seen (copy enclosed). The said instruction covers the declared or specified release as advertisement inserted in the newspaper, etc., and disclosure of amount paid for such advertisements, but in the case of 'Paid news'/surrogate news, such payment is seldom disclosed as the matter is camouflaged as news though serving the purpose of advertisement only. For the purpose of Sec.127A (1) of the R.P.Act, 1951, "'election pamphlet or poster' means any printed pamphlet, hand-bills **or other document** distributed for the purpose of promoting or prejudicing the election of a candidate or group of candidates". Thus, 'Paid News' would also fall in the category of 'other document' liable to be included in 'election pamphlet & poster' and action taken accordingly. Hence, an obvious case of news reporting in the print media dedicated/giving advantage to a particular candidate or the party while ignoring/causing prejudice to other candidates and parties would require investigation.
4. The Commission directs that for the purposes of above investigation, district level committees may be constituted by the DEOs in each district as soon as election is announced to do vigorous scrutiny of all newspapers, published or having circulation in the district in order to locate political advertisement in the garb of news coverage appearing within the election period. DEOs should closely monitor advertisements released in print media in any form including surrogate advertising in the form of news, and serve notices to candidates/political parties where called for, so that the expenses incurred thereon are duly reflected in the account of the concerned candidate/party.
5. Similarly, the District Committee should also keep a watch on the election news/features, etc. on the electronic media in the district. When there is disproportionate coverage to the speech/activities of a candidate on television/radio channels, which is likely to influence the voters and yield electoral benefit to a particular candidate, and the same coverage appears in several channels, then the candidate should be served with notices by the DEOs to explain her/his stand as to why the coverage should not be treated as advertisement, and matter should be reported to the Commission.
6. The Commission has already issued Order No. 509/75/2004/J.S.-I dated 15th April, 2004 consequent upon order of the Hon'ble Supreme Court of India in SLP (C) No. 6679/2004, (Ministry of Information and Broadcasting vs. M/s Gemini TV Pvt.Ltd and Others) providing for the constitution of a committee for previewing, scrutinizing and verifying all advertisements by individual contesting candidates or political parties, before it is inserted in the electronic media. The aforesaid phenomenon of Paid News by- passes the scrutiny of the Committee despite being a political advertisement in spirit and also evades accounting in the expenses book of the candidates. CEOs may strengthen these Committees so as to also scrutinize the news reports in electronic media, which bear the character of political

advertisement, though without being declared to be so. Notices to candidates/parties may be issued by the CEOs on the basis of recommendation of such Committees.

7. The Commission should be kept informed of all cases where notices as aforesaid are issued to parties/candidates.
8. The receipt of this letter may be acknowledged and the Commission informed of the action taken.

Yours faithfully,

Sd/-

Sub : Guidelines for dealing with candidates' advertisements on TV/Cable channels owned by political parties or their functionaries/office bearers during elections.

Sir/Madam,

I am directed to say that the Commission has received various references regarding Paid News and advertisements on TV/Cable Channels network owned by political parties or their functionaries/office bearers. The complaints were filed by different political parties, journalists and other individuals. In order to bring uniformity in dealing with such instances, the Commission has directed to issue the following guidelines: -

1. Six months before the due date of expiry of Lok Sabha or the State/UT Legislative Assembly, as the case may be, a list of television channels/radio channels/newspapers, broadcasting/circulated in the State/UT and their standard rate cards shall be obtained by the CEOs and forwarded to the Commission.
2. The Media Certification and Monitoring Committee (MCMC) at District level and State level will monitor all political advertisements in relation to candidates, either overt or covert, and will intimate the Returning Officer for issue of notices to candidates for inclusion of notional expenditure based on standard rate cards in their election expenses account, even if, they actually do not pay any amount to the channel/newspaper, that is otherwise the case with "Paid News". This will also include publicity by or on behalf of candidate by Star Campaigner (s) or others, to impact his electoral prospects. A copy of the notice will also be marked to Election Expenditure Observer.
3. In case of bye-election to Parliamentary or Assembly constituency, the standard rate card will be obtained by the District Election Officer concerned immediately on announcement of the bye-election and Media Certification and Monitoring Committee (MCMC) will take due action immediately afterwards.
4. Like in the case of "Paid News", the Chief Electoral Officer and District Election Officers will brief political parties and media houses about the above guidelines before the commencement of the election campaign.

5. In case of any technical doubt relating to the application of the standard rate card, the matter would be referred to the DAVP, Ministry of I&B, Govt. of India for advice.

These instructions should be read together with the Commission's earlier circulars on "Paid News" dated 8th June 2010, 23rd September 2010 and 18th March, 2011.

This may be brought to the knowledge of all concerned immediately.

Yours faithfully,

Election Commission's letter No. 76/2004/J.S.II, dated 10.04.2004 addressed to the Chief Electoral Officers of-All the States and Union Territories.

Subject: - Expenditure to be incurred on barricades and rostrums etc.

I am directed to refer to Commission's letter No. 437/6/OR/95/MCS/1158 dated 29th March, 1996 read with Commission's orders No. 437/6/ES/0025/94/MCS dated 21st October, 1994 (reproduced as item No. 133 in the Compendium of Instructions, 2004) wherein it has been laid down that expenditure incurred on security arrangements like barricading / rostrums etc. in connection with the campaigning by any political leader or candidate shall be borne by the concerned political party. The Commission has received queries to the effect -whether the expenditure on construction of rostrums / barricades will be charged to the political party or to the account of the individual candidate or a group of candidates belonging to the political party who are present on the occasion of a meeting where "leaders" of the political party participate.

2. The guiding principles to distinguish between the expenditure incurred by the political party and the expenditure incurred by the candidates were enunciated by the Supreme Court in *Kanwar Lai Gupta v Amar Nath Chawla* (AIR 1975 SC 308) wherein the Apex Court had observed: "when the political party sponsoring a candidate incurs expenditure in connection with his election as distinguished from expenditure on general party propaganda, and the candidate knowingly takes advantage of it and participates in the programme or activity and fails to disavow the expenditure or consents to it or acquiesces in it, it would be reasonable to infer, say in special circumstances, that he authorised the political party to incur such expenditure and he cannot escape the rigors of the ceiling by saying that he has not incurred the expense, but his political party has done so."
2. With the amendment to Section 77 of the Representation of People Act, 1951 only the expenses on account of travel of leaders of the political parties, covered under explanation 2 below Section 77, will be exempted from being included in the account of election expenses of the candidate. All other expenses - incurred / authorized by the political parties, other associations, body of persons / individuals - are required to be included in the account for the candidate.
4. The Commission has considered the matter carefully and keeping in view the provisions of law has directed as follows:-
 - (i) The expenses on construction of barricades / rostrums etc. when done initially by the government agencies on account of security considerations on behalf of the party/ organizers are to be booked as expenditure of a candidate in whose constituency the said meeting takes place or to a group of candidates who are present at the time when the leader of a political party addresses such a meeting. In cases where there are more than one candidate of the political party present at the time of the said meeting of the "leader", the expenditure will be apportioned equally amongst all, and the District Election Officer of the district where such a meeting takes place shall obtain the final costs from the concerned government agencies within three days of the event and intimate to the candidates their respective share of expenditure. This information will also be intimated to the Returning Officer / District Election Officer of the Constituency / District to which the other candidates belong,

- (ii) Where such construction of rostrums/barricades are done on account of security considerations by the candidate(s) or the political party or the organizers from their own funds, amount will be reflected in the accounts of the concerned candidate or a group of candidates present in the meeting of the “leader”. These accounts will be duly verified by the Election Observer or the Designated Officer appointed for scrutiny of the accounts.
- 5. The Commission has further directed that in all cases where the construction of barricades/rostrums are being done by government agencies the candidate/political party /organizer will deposit the estimated cost of barricades/rostrum in advance.
- 6. For expenditure already incurred on such items between the date of notification issued for the first and second phases of the current general elections, the concerned DEOs shall immediately take action as per para 4 above and inform all candidates concerned.

Election Commission's Letter No. 76/98/J.S. II dated 30.10.1998 addressed to CEOs of all States and UTs.

Subject: Daily accounts of election expenditure to be maintained by contesting candidates in prescribed Register - submission to the officers/Expenditure Observers for scrutiny -compliance - regarding

I am directed to state that as a measure to curb and keep a check on the tendency towards excessive expenditure in electioneering, the Commission has devised a Register containing a detailed proforma that is to be filled up and maintained on a continuous day-to-day basis by all contesting candidates on their electioneering campaigns. Vide Commission's letter No.76/98/JS-II dated 19.1.1998 it has been directed that the District Election Officer should nominate/designate officers located within the district, before whom a contesting candidate should produce periodically the Register of his day-today election expenses account, for the purposes of inspection and scrutiny. Reacting to the views expressed by some political parties, the Commission had further issued instructions vide the above letter that though the accounts of election expenses are to be maintained on daily basis, the same need be submitted to the designated officer for the purpose of inspection and scrutiny only once in three days.

2. It has come to the notice of the Commission that in some instances certain candidates have not cared to show the Registers of their daily election expenses to the designated officers, or even the Observers appointed by the Commission despite the same having been asked from them.
3. Obviously it raises a reasonable presumption that the accounts of expenses are not being maintained on a daily basis as required under the law, in these cases, but are being prepared after the election process is over in a manner which does not give a true account of the expenses that were indeed incurred by the candidate. The Commission, therefore, directs that where a candidate does not produce the Register containing his daily account of election expenses, before the designated officer/ Observer, despite notice, the District Election Officer shall cause a complaint to be lodged under Section 171 -I of Indian Penal Code against the errant candidates.
4. In addition to this, the fact whether a candidate has submitted the Register showing his daily account of expenditure to the designated officer/Expenditure Observer, for his scrutiny on timely basis and whether any action has been taken against any candidate for non-compliance in this respect should be explicitly mentioned in the remarks column of the report that the District Election Officer furnishes to the Commission under Rule 89 (1) of the Conduct of Election Rules, 1961 (Annexure XLIX to Returning Officers Handbook) to the effect whether the candidates have filed their returns of expenditure on elections or not.

This may be brought to the notice of all concerned, particularly the contesting candidates so that they are well aware of the penal consequences that they may have to suffer if they do not furnish the Registers showing their election expenses to the designated officer/Observers at the appropriate time.

Election Commission's letter No. 76/2004/J.S.II, dated 12.03.2004 addressed to the Chief Electoral Officers of all States and Union Territories.

Subject: - Instructions for guidance of contesting candidates for lodging their accounts of election expenses - Inspection of accounts of election expenditure as an additional measure -regarding.

I am directed to invite your attention to the Commission's circular dated 29-10-2003, on the subject cited. The Commission had directed (in paragraph 5) that the day to day accounts maintained by the contesting candidates in the prescribed register together with the supporting documents shall be made available by them for inspection to the District Election Officer/Returning Officer/ Election Observer or officer specifically designated for the purpose, once in every three days during the process of election.

At the meeting with the representatives of the recognised political parties, many of the parties requested for review of these instructions as visiting the office of the Returning Officer on every third day was inconvenient to the candidate in many cases. The Commission has considered this matter and has reviewed its directions in this regard and has now directed that the scrutiny of the accounts need be done only on three occasions during the entire election period. Accordingly, the candidate shall make available the documents pertaining to their accounts of expenditure for inspection to the District Election Officer/Returning Officer/Election Observer at least thrice during the process of election. However, it shall be ensured that there is a gap of about 4 (four) days in between each inspection and the first inspection may be on or after the third day from the last date for withdrawal of candidatures.

The Commission's directions contained in its letter dated 29th October, 2003 stand modified only in respect of the inspection schedule mentioned above. All other instructions contained therein remain applicable and in force. These, along with the present modified inspection schedule shall be conveyed to all the contesting candidates and the Election Observers appointed by the Commission in connection with General Elections to Lok Sabha, 2004.

Election Commission's letter No.76/2003/JS.II dated 29.10.2003 addressed to the Chief Electoral Officers of all States/UTs.

Subject: General Elections/Bye-Elections - Instructions for guidance of contesting candidates for lodging their accounts of election expenses - Inspection of accounts of election expenditure as an additional measure - regarding

I am directed to invite your attention to Commission's letter No.76/98/J.S.II Sdated 19.1.1998 on the above subject and to say that as per standing instructions of the Commission, the contesting candidates are required to maintain their election expenditure account in the prescribed register on day-to-day basis. They are also required to make available the said register, with supporting documents, for inspection, at anytime during the process of election, to the District Election Officers/Returning Officers/ Election Observers appointed by the Commission or any other such authority nominated by the Commission in this behalf. It has also been clarified that the failure to produce this register, on demand, will be considered as a major default. The register with the said supporting documents shall be made available by the contesting candidates only once in three days.

The Commission has now prescribed a revised format for maintaining account of election by candidates under Sections 77 and 78 of the Representation of the People Act 1951 vide its letter No. 76/ 2003/JS.II dated 24 October 2003, which has now been made available to you. Under Section 77(1) [vide the 'Election And other Related Laws (Amendment) Act, 2003', already sent to you] only the expenses on account of travel of 'leaders' of the political parties covered under Explanation 2 will be exempted from being included in the account of election expenses of a candidate. All other expenses - incurred/ authorised by the political parties, other associations, body of person, individuals - are required to be included in the account of the candidate.

In order to streamline the scrutiny of accounts maintained by the candidates, the Commission has given the following directions:

1. A register in the standard format as already prescribed vide Commission letter No.76/2003/JS.II dated 24.10.2003 shall be issued to each candidate by the Returning Officer immediately after his nomination, for keeping the day-to-day account of his expenditure.
2. The register shall be duly page-numbered and authenticated by the District Election Officer at the time of issue.
3. All day-to-day accounts shall be faithfully recorded in this register and in no other document by the candidate or his election agent.
4. All documents such as vouchers, receipts, bills, acknowledgements, etc. in support of the expenditure incurred or authorised shall be obtained from day-to-day as the expenditure is incurred and authorised and maintained in the correct chronological order along with the aforesaid register as prescribed under rule 86 of the Conduct of Election Rules 1961.
5. The day-to-day account maintained in the aforesaid register together with the supporting documents shall be made available for inspection once in three days during the process of election to the District Election Officer/Returning Officer/Election Observer appointed by

the Commission or any other such authority nominated by the Commission in this behalf.

6. The District Election Officer and the Election Observer shall prepare a schedule of inspection whereby a three-day cycle of furnishing of accounts will be set for every candidate in such a manner that on each day, accounts of one or more contesting candidates are made available for scrutiny to the concerned officers. In other words, the turn of a candidate to furnish his accounts for scrutiny will fall after every third day throughout the period between the filing of his nomination and declaration of results.
7. The accounts of the candidates will be scrutinised by the District Election Officer/Returning Officer and/or Election Observer or by the nominated officers and they will keep two photocopies of the relevant pages of the register. One copy of the relevant pages of the register will be displayed on the notice board of the Returning Officer and the other copy will be retained in a separate file for each constituency as proof of record with the Returning Officer and furnished to the District Election Officer on conclusion of the poll process.
8. Any person desiring a copy of these day to day accounts will be provided the same by the Returning Officer subject to payment of usual copying charges.
9. While lodging the accounts of the election expenses under Section 78 of the Representation of the People Act 1951, the candidate shall file the prescribed register along with the abstract statements of election expenses and the prescribed affidavit prescribed vide Commission order No.76/2003/JS.II dated 24.10.2003.

The Commission has reiterated that the above instructions should be made clear and known to all contesting candidates and the Election Observers who will be appointed by the Commission and it shall be the complete responsibility of the District Election Officers to ensure that the instructions of the Commission in this matter are complied with in proper manner.

Kindly acknowledge receipt.

Election Commission's letter No. 76/2004/JS-II, dated 06.08.2004 addressed to the Chief Electoral Officers of all States/Union Territories.

SUBJECT: - Accounts of Election Expenses- Clarification regarding.

I am directed to invite your attention to the provisions regarding maintenance of account of election expenses by contesting candidates. It has been brought to the notice of the Commission that in certain cases, prospective candidates get campaign materials prepared in advance, before the filing of nomination. Questions have been raised regarding accounting for the expenses of this nature. Some candidates have, in the past, left out the expenditure on such items from the account of their election expenses on the pretext that only the expenditure incurred from the date of filing nomination is to be accounted for.

It is clarified that the candidates, while maintaining their register of accounts of election expenditure, should also account for all expenditure including those incurred prior to the date of nomination for preparation of campaign materials etc. which are actually used during the post nomination period/in connection with the election.

The above directions may be brought to the notice of all District Election Officers and Returning Officers for information and necessary action in future election.

Kindly acknowledge receipt.

(The CEO was also requested to instruct the Returning Officers to bring the following position to the notice of all such candidates also.)

Subject: - Expenditure incurred by leaders of the party in election campaign.

I am directed to invite reference to the provisions of Section 77 of the Representation of the People Act, 1951. As per Explanation 1(a) read with Explanation 2 under sub-section (1) of the said Section, the expenditure incurred by leaders of the political party on account of travel for propagating programme of the party shall not be deemed to be expenditure in connection with election, incurred or authorized by the candidate or his agent, provided the names of the leaders for this purpose are communicated to the Commission and the Chief Electoral Officer of the State within a period of seven days from the date of notification of the election. In case of the constituencies going to poll in the first phase of election in Bihar in the current general election in that State, the notification of election was published on 23.09.2005, and for the constituencies in the second phase, the notification was published on 28.09.2005. As you party has not communicated the list of 'leaders' of your party for the purposes of the abovementioned Explanations 1(a) and 2 under Section 77(1), it may be noted that all expenses incurred in connection with visit of all leaders of your party, including their travel expenses for the first two phases of election, will necessarily have to be shown in the account of election expenses of the candidate(s) concerned in connection with whose election the visit is made. If the visit is a common one in connecting with the election of a group of candidates, the expenses will be equally apportioned among all such candidates.

The above legal position may be noted and also brought to the notice of all the candidates of your party contesting election in the first and second phases of elections in Bihar.

As per Explanation 1(a) read with Explanation 2 under sub-section (1) of the said Section, the expenditure incurred by leaders of the political party on account of travel for propagating programme of the party shall not be deemed to be expenditure in connection with election, incurred or authorized by the candidate or his agent, provided the names of the leaders for this purpose are communicated to the Commission and the Chief Electoral Officer of the State within a period of seven days from the date of notification of the election. In case of the constituencies going to poll in the first phase of election in Bihar in the current general election in that State, the notification of election was published on 23.09.2005. As you party has not communicated the list of 'leaders' of your party for the purposes of the abovementioned Explanations 1(a) and 2 under Section 77(1), in respect of the 61 Constituencies in the first phase of election, it may be noted that all expenses incurred in connection with visit of all leaders of your party, including their travel expenses for the first phase of election, will necessarily have to be shown in the account of election expenses of the candidate(s) concerned in connection with whose election the visit is made. If the visit is a common one in connection with the election of a group of candidates, the expenses will be equally apportioned among all such candidates.

The above legal position may be noted and also brought to the notice of all the candidates of your party contesting election in the first phase of elections in Bihar.

Election Commission letter No. 76/2007/JS-II Dated: 29th March, 2007 addressed to the Chief Electoral Officers of all States and Union Territories

Subject:- Section 77 of the Representation of the People Act, 1951-Election Expenditure of candidates- regarding.

Section 77(1) of the Representation of the People Act, 1951, provides that every candidate at an election shall keep it the correct account of all expenditure incurred or authorized by the candidate/his election agents in connection with the election of the candidate. The expenditure incurred on travel by leaders of a political party whose names have been communicated to the Commission and the Chief Electoral Officer as required under Explanation –2 to Section 77(1) is not deemed to be expenditure incurred or authorized by a candidate of that political party for the purposes of the said Section.

2. Some CEOs and Observers have sought clarifications about the effect of expenditure incurred by political parties on advertisements on the election expenditure accounts of the candidates.
3. In this context, attention is invited to the Commission's letter No. 76/2004/J.S.II, dated 10th April, 2004 (copy enclosed) on the issue of expenditure incurred by political parties in connection with election rallies, etc.
4. In the judgment of the Hon'ble Supreme Court, in Kanwar Lal Gupta vs. Amar Nath Chawla (A.I.R. 1975 SC 308), referred to in the abovementioned letter dated 10.4.04, the Hon'ble Supreme Court has held that the expenditure incurred by the political party, as distinguished from expenditure on general party propaganda, which can be identified with the election of a given candidate would be liable to be added to the expenditure of that candidate as being impliedly authorized by the candidate. The Apex Court has further held in that matter that a party candidate does not stand apart from his political party and if the political party does not want the candidate to incur the disqualification, it must exercise control over the expenditure which may be incurred by it directly to promote the poll prospects of the candidate.
5. The expenditure incurred by a political party on advertisements, in connection with any election could be categorized into the following:
 - (i) Expenditure on general party propaganda seeking support for the party and its candidates in general, but, without any reference to any particular candidate or any particular class/group of candidates;
 - (ii) Expenditure incurred by the party, in advertisements etc. directly seeking support and/or vote for any particular candidate or group of candidates;
 - (iii) Expenditure incurred by the party which can be related to the expenditure for promoting the prospects of any particular candidate or group of candidates.
6. Applying the ratio of the judgment in Kanwar Lal Gupta's case, it is clarified that in the case of any advertisement by political parties, whether in print or electronic or any other media,

falling in category (i) above, which is not relatable to the election of any particular candidate or a given group of candidates, the expenditure may be treated as expenditure of the political party on general party propaganda. In the cases of expenditure falling in categories (ii) and (iii) above, i.e. cases where the expenditure is relatable to the election of a particular candidate or a group of candidates, the expenditure shall be treated as expenditure authorized by the candidates concerned and such expenditure shall be accounted for in the election expenses accounts of the candidates concerned. In those cases where the expenditure is incurred by the party for the benefit of a given group of candidates, the expenditure is to be apportioned equally among the candidates.

7. The contents of this letter may be brought to the notice of all District Election Officers, Returning Officers, Election Observers, and other election authorities. This may also be brought to the notice of all the political parties in the State, including the State units of the recognized political parties.

Please acknowledge receipt of this letter.

Election Commission letter No.76/2007/JS-II Dated: 4th April, 2007. addressed to the Chief Electoral Officers of all States and Union Territories

Sub: Account of election expenses of candidates - Section 77(1) of the Representation of the People Act, 1951 – regarding.

Section 77(1) of the Representation of the People Act., 1951 mandates every contesting candidate at an election to maintain the correct account of expenditure incurred/authorised in connection with the election. Clause (a) of Explanation 1 to Section 77(1) provides that the expenditure on travel incurred by leaders of a political party for propagating programme of that party shall not be treated as expenditure in connection with the election incurred/authorised by a candidate of that political party for the purposes of the said Section. Explanation 2 to Section 77(1) provides that the list of leaders of a political party (40 in the case of recognized parties and 20 in the case of registered unrecognized parties) is to be submitted within 7 days from the issue of notification to the Commission and to the Chief Electoral Officer of the State concerned for availing of the benefit of Clause (a) of Explanation 1.

Clarifications have been sought regarding accounting of travel expenses of a leader of a political party covered under Explanation 2 to Section 77(1) when such leader happens to be a candidate himself. It is only logical to conclude that the visit of a contesting candidate to the constituency from where he is contesting election is for the purpose of promoting his own election prospect. When a candidate travels in his constituency for election campaigning, the expenses incurred in connection with the journey has to be treated as part of his election expenses. Therefore, it is clarified that, in such situations, the expenses incurred on account of the journey(s) performed by such leader within the constituency from where he/she is contesting election cannot be exempted from the election expenditure account of that person.

2. It has been observed that in some cases political parties, while communicating the names of leaders of that party under Explanation 2 to Section 77(1), have included the names of persons who are leaders of other political parties or who are not members of that political party. It is made clear that as per the provisions of the law referred to above, a political party can nominate only those persons who are members of that party as its leaders for the purposes of Explanations 1&2 to Section 77(1). In other words, a person who is not a member of the party cannot be nominated as 'leader' of the party for the purposes of Section 77(1).
3. It has also been seen in the past that after submitting the list of leaders with the Commission, the political parties approach the Commission for substituting the names therein. In this context, it is pointed out that as per the proviso to Explanation 2, substituting a name from the list is permitted under the law only where any of the persons mentioned in the list dies or ceases to be a member of the political party concerned and not otherwise.
4. These instructions/clarifications may be brought to the notice of all the District Election Officers/Returning Officers and all election authorities. This may also be brought to the notice of all political parties based in the State including the State Units of recognized national and State parties.
5. Please acknowledge receipt. **Copy to all recognized political parties for information and compliance.**

Election Commission's letter No. 437/6/OR/95/MCS/1158 dated 29.03.1996 addressed to The Secretary to the Government of India, Ministry of Home Affairs, New Delhi and copy endorsed to CEOs of All States and Union Territories.

Please refer to letter of Shri V.K. Malhotra, Joint Secretary (CS) dated 21.2.96 regarding clarification sought by Orissa Government in connection with the expenditure to be incurred on the barricading and rostrums etc. for Prime Minister's visit in connection with elections.

2. Attention is drawn to Commission's Order No. 437/6/ES0025/94/MCS dated 21.10.94 (copy enclosed) wherein it has been clarified that the State Governments/Union Territories should strictly adhere to the Order of the Supreme Court given by its Order dated 29.4.94 in the writ petition (Civil) No.312 of 1994. In the Commission's Order, it has further been directed that such individuals who visit State/ Constituency for electioneering and election arrangements like barricading/rostrums etc. shall be borne by the concerned political party.
3. It is, therefore, directed once again that instructions as contained in Commission's Order dated 21.10.1994 should be strictly adhered to.

Annexure

Letter No. 437/6/ES0025/94/MCS Dated 21 st October 1994 addressed to Chief Secretaries and CEOs of all States and UTs.

ORDER

The Commission vide its letter No. 437/6/93-PS-II dated 31 st December, 1993 had reiterated the total and absolute ban on the use of official vehicles for campaigning, electioneering or election related travel during elections and had directed that there will be total ban on the use of any vehicles for any purpose connected with the election by any political party, the candidate or any other person connected with election.

3. The Commission vide its letter No. 437/6/94 dated 2nd February, 1994 had invited attention to the circular letter No. 10/17/89-M&G dated 1 st November, 1989 from the Ministry of Home Affairs on the tour of ministers in connection with the election campaign and had observed that those instructions were flouted with impunity and had therefore issued further instructions without, in any way overriding, modifying or affecting the instructions of the Ministry of Home Affairs dated 1 st November, 1989 referred to above.
4. The Supreme Court in its order dated 29th April, 1994 in a writ petition (Civil) No. 312 of 1994(State of Tamil Nadu versus Chief Election Commissioner and others) seeking exemption in the case of Chief Minister of Tamil Nadu had directed as follows :

“While we are conscious of the effort being made by the Election Commission to ensure cleanliness of the electoral process and for the protection and ensurement of free and fair polls, were are afraid, the Election Commission cannot, as it seeks to do here, put out of consideration the security requirements of certain political personalities who might, in view of extremist and terrorist activities and threats to their lives, require security of a high order. To confine the security to only the Prime Minister of the country, as the Election Commission has done, and to deny, as the communication dated 31st March, 1994 seeks to do, to all other may

not reflect a proper perception and appreciation of the problem. At all events, the Election Commission will have to take note of the statutory provisions. However, we should make one aspect clear. Having regard to the responsibilities and obligation of the Election Commission to ensuring purity of the electoral process, it is open to the Election Commission, if it has material to doubt that the assessments of the security requirement made by the Director of the Tamil Nadu Special Security Group under the status are so manifestly and unduly excessive as to amount to promotion indirectly, of partisan electoral interests, to bring such matter to the notice of the State Government for appropriate corrective steps.”

4. The Cabinet Secretariat in its letter No. 10/22/094-ES dated 3/5 May, 1994 had issued instructions that under the provisions of the Special Protection Group Act, 1988 protection is provided for proximate security of the following :-
 - (i) The Prime Minister and the members of his immediate family;
 - (ii) Any former Prime Minister or the members of his immediate family for a period of 5 years from the date on which the former Prime Minister ceases to hold the office of Prime Minister
5. In the light of the above order of the Supreme Court the Commission had substituted paragraph 3 of its letter No. 437/6/93/PS-II dated 31 st December, 1993 vide para 6 of letter of even number dated 8th May, 1994 to say that “the Commission has decided that para 3 of its above referred circular letter No. 437/6/93-P-II dated 31 st December, 1993 will stand substituted by the following :-
 - 3(A) The only exceptions from the prohibitions mentioned in para 2 above will be the Prime Minister and other political personalities who might, in view of extremist and terrorist activities and threats to their lives, require security of a high order and whose security requirements are governed by any statutory provisions made by Parliament or the State Legislature in this behalf.
 - 3(B) The Commission would like to make it clear that having regard to its responsibilities and obligations to ensuring purity of the electoral process, the Commission, if it has material to doubt that the assessments of the security requirements made by the authorities under the above referred special enactments or any other special instructions of the Government are so manifestly or unduly excessive as to amount to promotion, indirectly, of partisan electoral interests, bring such matter to the notice of the Central Government and/or, as the case may be, the State Government for appropriate corrective steps.
 - 3(C) For achieving this, the Commission may call for any information from the Central Government or the State Government concerned with regard to the assessment of the security requirements made in respect of any such personality. Such information shall be furnished to the Commission by the concerned Government forthwith.”
6. It was further clarified by the Commission in its letter No. 437/6/94 dated 14th May, 1994 that all State Governments and the Union Territory Administration are requested to adhere strictly to the orders of the Supreme Court. Further, orders relating to security of the individuals issued under statutory powers or other powers must be fully honoured.
7. The Commission has further directed that when such individuals visit State/Constituency for electioneering and election related work, the expenditure incurred on security arrangements like barricading/ rostrums etc. shall be borne by the concerned political parties.

To

The Chief Electoral Officers of

**Subject: Measures to check Paid News during elections i.e.
advertising in the garb of news in media**

Sir,

In continuation of the Commission's letter No.491/Media/2009, dated 8th June, 2010, on the subject cited, I forward herewith a copy of the report of the Press Council of India No. PR/2/1011 dated 30th July, 2010.

2. The following parts of the Report are for particular attention and necessary action:
 - (a) The Press Council of India has defined paid news as "any news or analysis appearing in any media (Print and Electronic) for a price in cash or kind as consideration."
 - (b) The Council has highlighted its own guidelines of 1996 at page 8 to 10 of the Report enclosed with the letter. Para 1 of the guidelines refers that "newspapers are not expected to indulge in unhealthy election campaigns, exaggerated reports about any candidate/party or incident during the elections. While reporting on actual campaign, a newspaper may not leave out any important point raised by a candidate and make an attack on his or her opponent." Similarly, para 5 specifically refers that "Press is not expected to indulge in canvassing of a particular candidate/party. If it does, it shall allow the right of reply to the other candidate party." Thus, any departure from the above guidelines should make a case for prima facie investigation of paid news.
3. Others parts of the Report are for information. Specific action, if any, is being taken by the Commission.
4. As regards the constitution of the district level committee for scrutiny of Paid News during election periods, the same shall be composed of following officers:

No.464/AP- HP & AP-LA/BE/2011/EEM

Date: 3rd June 2011

To

The Chief Electoral Officer of All States and UT,

Subject: Clarification regarding lodging expenses being incurred by the campaigners of the contesting candidates.

Sir,

I am directed to invite reference to the provisions of Section 77 of the Representation of the People Act, 1951. As per Explanation 1(a) read with Explanation 2 under sub-section (1) of the said Section, the expenditure incurred by leaders of the political party, who are star campaigners, on account of travel for propagating programme of the party shall not be deemed to be the expenditure of the candidate in connection with the election. The expenditure related to booking of hotels and lodges rooms in the constituency by or for the Star campaigners is not exempted under Section 77 of R P Act, 1951.

2. I am further directed to inform that all expenditure including lodging/boarding expenses of star campaigners in the constituency where they campaign for any candidate shall be included in the expenditure account of that particular candidate, provided that -
 - (a) the Star Campaigners/Campaigners have actually campaigned for the candidate, and
 - (b) the Star Campaigners/Campaigners have incurred such boarding and lodging expenditure while remaining in a commercial hotel or lodge for the purpose of election campaign of the candidate irrespective of the fact whether the payment is made by such candidate or not.
3. The market value of such commercial boarding and lodging is to be calculated towards the election expenditure of the candidate, even if the boarding and lodging is provided as complimentary. It is further clarified that if the star campaigner while availing the boarding and lodging in one constituency, travels to another constituency to campaign for other candidates, then the lodging and boarding expense will be proportionately distributed as the expense of those candidates.
4. A notice may be issued immediately in all such cases and it should be processed accordingly.
5. This disposes of Chief Electoral Officer, Andhra Pradesh, letter no. 1760/Elecs.D/2011-7, dated 30.04.2011.

It is mentioned in the Commission's instructions No. 76/Instructions/2011/EEM dated 07-02-2011 that the candidates shall incur all election expenses by account payee cheques from Bank account opened for election purpose, excepting minor expenses where it is not possible to issue cheque. Some political parties have asked for clarification, specifying the limits of such cash expenditure. It is hereby clarified that if the amount payable by candidate(s) to any person/entity for any item of expenditure does not exceed Rs.20,000/- during the entire process of election, then such expenditure can be incurred by cash, by withdrawing it from the bank a/c opened for the purpose of election. All other payments are to be made by account payee cheque from the said bank account.
2. As per Section 77 of RP Act, 1951, every candidate shall keep separate and correct account of all expenditure from the date on which he has been nominated and the date of declaration of result (both dates inclusive). It is hereby clarified that all candidates, while maintaining their register of accounts of election expenditure, shall account for all expenditure incurred on the day of filing of nomination (i.e. from day) and also those incurred prior to the date of nomination like expenditure on campaign materials etc. which are used during the post nomination period. All expenses relating to the rally or procession organised while filing nomination shall be included in the accounts of the candidates.
3. When members of public attend a public rally/procession/public meeting of candidate(s) by using their own personal vehicle, without receiving any payment or reimbursement from anybody, it shall not be included in the expenditure of the candidate. However, the personal vehicles used in the rally or public meeting for campaign purpose by putting flags or banners or poster for the benefit of any candidate(s) shall be included in the expenses of

the candidate(s). If the commercial vehicles bearing commercial registration number are used for rally or public meeting of any candidate(s) the expenditure on such vehicles shall be included in the account of the candidate(s).

4. One personal vehicle owned and used by the candidate(s) for campaign purpose shall be treated as campaign vehicle and notional expenditure on fuel and driver salary as per the market rate shall be included in the accounts of the candidate(s). In case other vehicles, owned by the candidate(s) are used for campaign purpose, then the notional expenses as per the notified rate for hiring of such vehicles shall be calculated by the candidate(s).
5. The use of flags, caps, mufflers with party symbol has been clarified in Question No. 72 of FAQ on Model Code of Conduct. The expense on such items of flags, mufflers or caps with party symbol shall be accounted for by the party concerned as its election expense. If they bear the name(s) or photo(s) of candidate(s), it shall be added to the accounts of the candidate. However, supply and distribution of main apparels like saree, shirt, T-shirt, dhoti etc. by party/candidate is not permitted as it is bribery of voters.
6. ECI instruction No. 464/INST/2011/EPS dated 28-03-2011 has clarified that the expense on the vehicle of the district level party office bearers/leaders (other than star campaigners) for the purpose of their visit to multiple ACs within the district for electioneering shall not be included in the accounts of candidate(s).
