## About Us

For the consistent and scientific management of procedures and electoral rolls, the Election Commission of India (ECI) has played a key role in strengthening the Indian democracy. Inspired by its vision on the challenges of democracy as well as on the multifarious aspects of democratic ethos and operations, including electoral machinery, efficient and flawless delivery of electoral elections, the ECI established the India Democracy Institute of Democracy and Election Management (IIIDEM) in June 2011.

The establishment of IIIDEM stems from the realization that as a state founding fathers and constitution makers, we must free fair, credible and professionally managed elections form the bedrock of a vibrant democracy. The Institute is an instrument for the ECI to continuously keep its tools of election management and delivery sharp, ready and up-to-date. IIIDEM is housed in the premises of the Government of India, a full-fledged campus of the National Highway at Dwarka (Delhi) just 5 kms. away from the iconic Gandhi International Airport.

### Objectives

To inculcate core democratic values and principles by reinforcing honest, firm and transparent electoral systems and processes, addressing emerging challenges with foresight, clarity and strength.
