**BOOM!** Down come the tower blocks  
**BOOM!** In come the yuppies  
**BOOM!** Out are forced the residents

East of Liberty is a tale of gentrification and regeneration in the predominantly African-American neighbourhood of East Liberty in Pittsburgh, USA. Having caused waves in the US its British premier is at the Dalston Rio in Hackney.

Chris Ivey, the maker of the documentary, will be attending and available for questions afterwards.
