Release Return With New Sentence	405	4.9%
Total	8,200	

Note: The above includes admissions of all offenders committed to the commissioner of corrections. Because offenders can be admitted more than once in a given year, the above measures the total number of prison admissions, not the total number of individual offenders admitted to prison.

COMMITMENTS	<u>FY2016</u>	FY2017	Change
January-June	2,590	2,696	4.1%
July-December	2,564	2,518	-1.8%

Community Programs	980	11.5%
Discharge	916	10.8%
Other	59	0.7%
Total	8,518	

Note: The above includes releases from prison as well as releases from community programs (i.e., work release) to supervised release. Because offenders can be released from either prison or a community program more than once in a given year, the above measures the total number of transitions to a release status, not the total number of individual offenders who exit a prison facility.
