

EXPORTS

In an effort to bolster Government Of India's 'Act East Policy,' NRL on its part has been able to establish trade ties with neighbouring South East Asian countries like Myanmar, Bangladesh, Thailand, Vietnam etc. through export of Paraffin Wax and Diesel.

NRL Wax has made its presence felt across continents viz. Asia, Europe and the Americas in countries such as Nicaragua, Brazil, Mexico, Chile, Dominican Republic, Egypt, Uganda, Myanmar, Sri Lanka, Vietnam, Malaysia, Nepal, Bangladesh and China to name a few.

NRL is exporting Diesel to Bangladesh using the rail route from Siliguri to Parbatipur via Radhikapur-Birol.

It has also exported a consignment of Diesel to Northern region of Myanmar bordering Manipur which is at a distance of approx 430 kms from Numaligarh Refinery.

In line with the NE Hydrocarbon Vision 2030 document, NRL has signed an agreement with Bangladesh Petroleum Corporation (BPC) to build a product pipeline from NRL 's Siliguri Marketing terminal to BPC's depot at Parbatipur.
