Privacy Act Notice: Chapter 10 of title 17, United States Code, authorizes the Copyright Office to collect the personally identifying information (PII) requested on this form in order to process your payment. PII is any personal information that can be used to identify or contact an individual, such as names, addresses, and telephone numbers. The Copyright Office collects this PII in order to identity the entities making the royalty fee payments. By providing your PII, you are agreeing to this routine use of it. The effects of not providing the PII requested are that it may delay processing of your statement of account and it may affect the legal sufficiency of the filing, a determination that would be made by a court of law.
