Precincts and Buildings

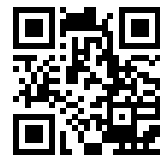

The UTS City campus encompasses a variety of precincts and buildings catering to teaching, learning, research, social and administrative activities. This directory will help students, visitors and staff find the buildings, venues and facilities they are looking for.

Three of the City campus's - Haymarket, Broadway and Blackfriars are located at the southern gateway to Sydney's cosmopolitan central business district (CBD), and surrounded by local attractions.

The fourth and newest precinct is situated within the elite sporting zone at Moore Park. The UTS Rugby Australia Building, in Sydney's Moore Park sports precinct, is home to more than 100 sports professionals and over 700 UTS students and researchers. Researchers and students from UTS's sport and exercise science and physiotherapy programs are based in the new building.
