OCAP Speakers Series

Oct 18 - Gathering Forces: Fighting Austerity Beyond Elections

With the elections rigged in favour of the wealthy, the real power to successfully stop cut backs rests with social movements. With dramatic cuts to social assistance, min wage, healthcare, transit, and more expected, it's time to gather our forces.

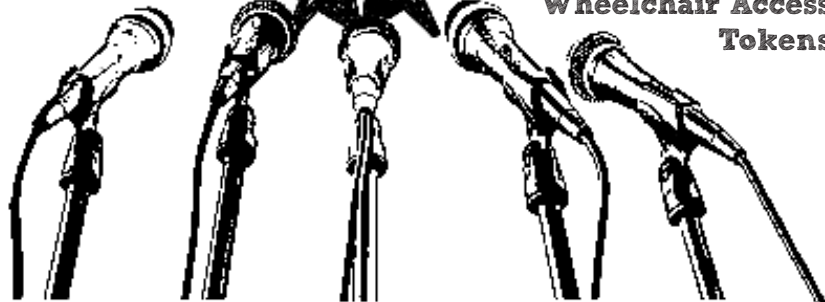

So come hear from movements that are fighting to defend our people.

The Speakers Series is where we discuss issues critical to the success of poor people's resistance.

6pm
3rd Thursday of every month
40 Oak Street

Free Event with:
