Donate to CERES

CERES depends on the generous financial support of our donors.

Regular monthly donations contribute to maintenance and upkeep of this large, vibrant community space. All donations above \$2 are tax deductible.

One off donations ensure that CERES can continue to invest in innovative research projects towards a sustainable future.

A bequest will contribute to the long term financial security of CERES allowing us to implement environmental strategies to empower and inspire more resilient and creative communities.

Visit www.ceres.org.au/donate for more information on all of these options.
