

HANG IN THERE!

APRIL 15 is Steal Something From Work Day.

Steal something from work! Does your boss work less than you but take home a bigger paycheck? Is somebody zipping around in a private jet at your expense? If the corporation is making money at the end of the day, that means they're not paying you the full value of your labor – that's where corporate profit comes from! So if you need something in your workplace, take it. *You* earned it!
