**JUDGMENT ENTRY -
DECREE OF DIVORCE**

This day this cause came on for hearing in the course of regular assignment, all parties appearing with counsel.

The Court having considered the evidence presented by both parties and the witnesses, hereby makes the following Order and Judgment.

The Court finds from the evidence presented that the jurisdictional facts alleged in both the Complaint and the Cross-Complaint are true; that the parties were married as alleged and that three children were born as issue of said marriage, to wit: Ergun, Erden and Emir. The Court further finds that the parties have been living separate and apart for more than two (2) years.

Further, the Court finds that a custody order was made concerning these parties and their children in case number 75-DR-07-2959, wherein custody was granted to the Plaintiff pursuant to a hearing on the matter.

Further, the Court finds that the evidence is not sufficient to meet the statutory requirements necessary to be met for the change of custody of said children at this time.

Further, the Court finds that the parties have entered into a separation agreement pertaining to matters of visitation, alimony, support and division of property. The Court has examined said agreement and finds the same to be fair and equitable to both parties.
