# Advertise with Steemit

Media Kit

Steemit.com is the #1 most used blockchain app in the world.

Steemit.com was launched in July of 2016 and quickly became the first successful blockchain application to implement Proof of Brain allowing autonomous value distribution to crypto enthusiasts and content creators all around the world.

steemit

Steemit.com is the <u>best place on the Internet</u> to attract attention from a growing hard-core crypto user base.
