

# Queer Action!

## *Fighting Homophobia, Racism, & Sexism*

Queer Action is a new and developing group for people who identify as queer and radical, and want to push the boundaries of both. QA is a political and cultural group who want to develop a space to politicise the queer community and inspire cultural criticism. QA welcomes those who dissent and want to cause dissent.

If you are pissed off with the growing right wing political culture, the commodification and the depoliticisation of the gay and lesbian community, then this is the group for you.

QA is committed to:

1. Fighting homophobic legislation
2. Campaigning around queer politics within and outside the queer community
3. Conducting forums on queer art, music writing and politics

# ARE YOU A FREAK?

*Have you ever been rejected from a 'queer' venue?*

*Was it because you are a woman?*

*Was it because your skin is the wrong colour?*

*Was it because you were wearing a flannie, have facial piercings, pink hair or looked too straight,*

***because you looked wrong?***

*If you're fed-up with Commercial Road stereotypes;*

*If you think the 'Queer Community' is more diverse than the latest fashion trends from Europe;*

*If you think restricting entry to those who can adhere to niche fashion seems elitist;*

*Rally outside the Peel tonight, speak out, get active, fight for a more inclusive queer community!*
