SUN SYSTEMS TECHNOLOGY FIRE NEO-NAZI SOLAR INSTALLER

Jason Judd

Jason Judd (alias Jason Kale) is a longtime neo-nazi and a member of the Golden State Skinheads (GSS). He is also associated with Hells Angels, the Traditionalist Worker Party (TWP), and the Hammerskin Nation. On June 26th, 2016, Judd and other GSS members were involved in a violent clash during the protest against their planned but ultimately defeated neo-nazi rally. Judd was directly involved in the stabbings that occurred that day, including grabbing a POC protester so that another neo-nazi could stab that individual.

Judd currently works for a solar panel installation company. Please contact them and demand that they fire Him.
