

Not in our streets!

Say
**NO TO RACISM
NO TO FASCISM
IN BENDIGO**

The United Patriots Front (UPF) have called another anti-mosque, anti-Muslim rally in Bendigo. This is a call to all anti-racists to rally against them and say 'NOT IN OUR STREETS!' The UPF include among their ranks open, proud Nazis who want to recruit Bendigonians to their vile racism and bigotry. History shows we need to stop these movements opposed to Muslims, immigrants, LGBTIQ people and trade unions before they establish themselves and grow in strength and confidence. The time is now to stand up for a progressive, diverse Bendigo.
