

# LOVE COBURG! HATE RACISM!

On Saturday the 28<sup>th</sup> of May, an assortment of neo-Nazis, white supremacists, extreme nationalists & anti-Muslim bigots plan on coming to Coburg to spread their hateful nonsense.

## TELL 'EM THEY'RE DREAMIN'!

They want to convince us that diversity is something to fear.  
They want to attack people who they think don't 'belong'.  
They want to divide us from one another; from our neighbours,  
our co-workers, our families & our friends.

## WE KNOW WE'RE STRONGER TOGETHER

### SATURDAY 28TH MAY – 11AM COBURG MALL

STAND UP FOR YOUR COMMUNITY &

## TELL 'EM TO GET STUFFED

### PUT THE NAZI SCUM ON THE RUN! COBURG IS FOR EVERYONE!

# **YES, NAZIS ARE STILL A THING**

**Over the last year, groups such as the neo-Nazi led "United Patriots Front" have worked to build a violent, racist street movement, designed specifically to demonise & target Muslims, Indigenous people, refugees, migrants & the LGBTIQ community.**

## **EVERY TIME THEY TRIED PEOPLE GOT ORGANISED & THEY WERE CHASED OFF THE STREETS**

**Now, they're desperate for attention. They're coming to Coburg, a proudly diverse, working-class community with a long history of coexistence to try to attack an anti-racist community event.**

**As Melbourne has shown them before, we won't stand for their bigoted bullshit.**

## **NO TOLERANCE FOR INTOLERANCE**

**The UPF & other far-right groups have disgustingly racist, sexist, xenophobic, homophobic, obviously ridiculous views. But they're not just idiots. They're dangerous. The poisonous ideas they spread dehumanise oppressed people & encourage UPF followers to attack, harass & bully people they consider less human than themselves.**

## **LETTING THE REAL CROOKS OFF THE HOOK**

**They're also dangerous because they blame things like unemployment, cuts to social services & how bloody expensive it is to keep a roof over your head on marginalised communities & other working people; not on the greedy bosses & their dodgy mates in Canberra who are actually the cause of the problems all working people face.**

## **SOLIDARITY IS THE KEY**

**ONLY TOGETHER CAN WE MAKE THE WORLD A BETTER  
PLACE FOR THE MANY, NOT JUST THE FEW**

## **TOUCH ONE / TOUCH ALL**
