

FOR RELEASE: MARCH 5, 2019

**64 PERCENT OF U.S. VOTERS SAY TRUMP COMMITTED A CRIME,  
QUINNIPIAC UNIVERSITY NATIONAL POLL FINDS;  
PRESIDENT GETS MIXED GRADES FOR NORTH KOREA**

President Donald Trump committed crimes before he became president, American voters say 64 – 24 percent in a Quinnipiac University National Poll released today.

Republicans say 48 – 33 percent that President Trump did not commit crimes before he was president, the independent Quinnipiac (KWIN-uh-pe-ack) University National Poll finds. Every other listed party, gender, education, age and racial group says by wide margins that Trump committed crimes.

But U.S. voters are divided 45 – 43 percent on whether Trump committed any crimes while he has been president. A presidential candidate paying money to hide a negative story during a campaign, and not disclosing that payment, is unethical and a crime, 40 percent of voters say. Another 21 percent say it is unethical, but not a crime, and 20 percent say it is not unethical.

Congress should not begin impeachment proceedings against Trump, American voters say 59 – 35 percent. But Congress should do more to investigate “Michael Cohen’s claims about President Trump’s unethical and illegal behavior,” voters say 58 – 35 percent.

American voters believe Cohen more than Trump 50 – 35 percent. Cohen told the truth, 44 percent of voters say, while 36 percent say he did not tell the truth.

Voters approve 41 – 36 percent of the way Democrats in Congress handled Cohen’s testimony before the U.S. House Oversight Committee. Voters disapprove 51 – 25 percent of the way Republicans handled the Cohen hearing.

“Cloudy and 38. The future of Donald Trump’s presidency and the percentage of people who support him mirror the March weather in D.C.,” said Tim Malloy, assistant director of the Quinnipiac University Poll.

“The answers to two survey questions deliver a double-barreled gut punch to the honesty question.”

**-more-**

## Quinnipiac University Poll/March 5, 2019 – page 2

“When two-thirds of voters think you have committed a crime in your past life, and almost half of voters say it’s a tossup over whether you committed a crime while in the Oval Office, confidence in your overall integrity is very shaky,” Malloy added.

“Add to that, Michael Cohen, a known liar headed to the big house, has more credibility than the leader of the free world.”

American voters give Trump a negative 38 – 55 percent job approval rating, compared to a negative 38 – 57 percent in a January 29 Quinnipiac University National Poll.

Voters say 65 – 30 percent that Trump is not honest, his worst grade ever on that character trait. He gets negative grades on other traits:

- 39 – 58 percent that he has good leadership skills;
- 39 – 58 percent that he cares about average Americans;
- 22 – 71 percent that he is a good role model for children.

Trump gets mixed or negative grades for handling key issues:

- 49 percent approve his handling of the economy and 45 percent disapprove;
- Negative 38 – 56 percent for handling foreign policy;
- Negative 40 – 58 percent for handling immigration issues.

### North Korea

American voters are divided on Trump’s handling of U.S. policy toward North Korea as 44 percent approve and 45 percent disapprove. But voters say 52 – 42 percent they do not have confidence in Trump to handle the situation with North Korea.

Trump’s decision to try to create a close relationship with North Korean leader Kim Jong-Un is a good idea, voters say 54 – 34 percent.

Voters are divided 42 – 42 percent on whether the president’s meetings with Kim Jong-Un have been a success or a failure.

From March 1 – 4, Quinnipiac University surveyed 1,120 voters nationwide with a margin of error of +/- 3.4 percentage points, including the design effect.

The Quinnipiac University Poll, directed by Douglas Schwartz, Ph.D., conducts gold standard surveys using random digit dialing with live interviewers calling landlines and cell phones. The Quinnipiac University Poll conducts nationwide surveys and polls in more than a dozen states on national and statewide elections, as well as public policy issues.
