**New Mexico State University Library
Student Paper Release Form**

NMSU Library, in compliance with the Family Educational Rights and Privacy Act (FERPA), requires that faculty must obtain written permission from student authors to utilize their document(s) for reserve purposes. U.S. Copyright Law (17 USC, section 106) prohibits the copying or use of a work, including student papers or projects, without the author's permission. It is our practice to ask instructors to remove names or other identifiers from student work however; this does not relieve the instructor from copyright responsibility: student permission must still be obtaining any needed copyright clearance.

The student's signature grants permission to the requesting faculty in allowing their document to be placed on NMSU Library Reserve. The student's grade will not be affected by the agreement or refusal of the use of the paper or project being used by the requesting faculty. The student retains the right to remove their item(s) at any time.
