Zoom Chat

The hub for real time video and phone communications

zoom

One place for all your real time communications

Included with your Zoom license is Zoom Chat, helping your teams stay connected

Simplify your workflow

Make collaboration easier between teams and external participants with enterprise chat and instant meetings.

Power modern communication

Create a virtual workspace where all the right people for every project are ready to collaborate.

Organize your chaos

Save time by quickly finding messages, content, and links related to your channels and projects.

+ Instantly start a phone call or video meeting from your direct message or group channel

+ Communicate in public or private channels organized by project, teams, or topics

+ Search everything from contacts, to groups, messages, and files

+ Sync status with calendar integrations and presence to show if someone is busy, in a meeting, on mobile, desktop, or offline

Smart features

Connect people with @ mentions, # to link to another channel, or / to perform quick actions like phone calls or start a meeting
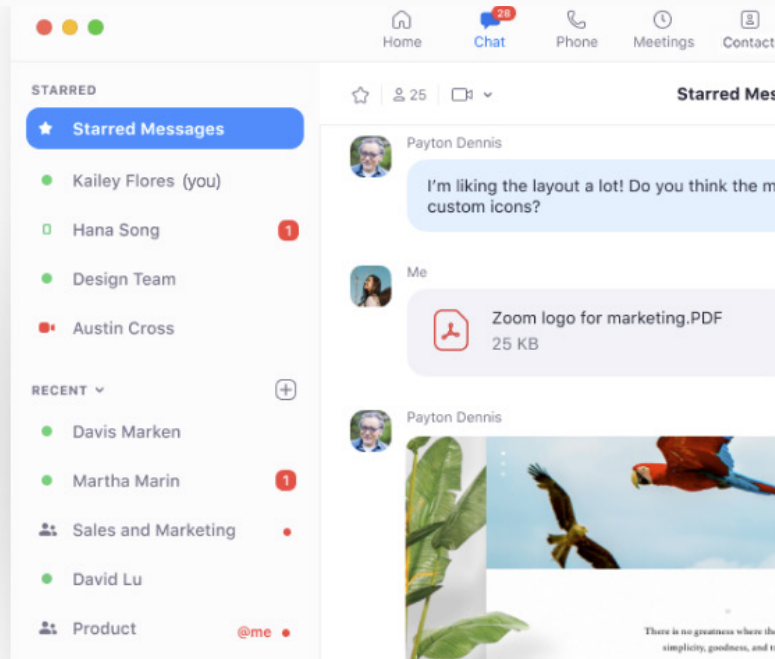

Share important content

Share relevant files, link to websites, react with emojis, and illustrate your point with annotated screenshots or GIFs.

Keep your data and contacts secure

At Zoom, we continue to exceed privacy and data protection expectations so your data stays safe and secure. Zoom has certified its compliance with the following measures:

- SOC 2 compliant
- SSO via industry standard authentication protocols
- Support for multi-factor authentication
- Encryption of data in transit and at rest
- Supports archiving with Smarsh and Global Relay

Keep everything synced between devices

Whether you use your desktop, mobile or tablet your conversations stay synced so there's no lag, duplicates or extra dismissing needed.

Enable third-party integration

Zoom Chat works with the tools that make up your daily workflows, so you can always access the information and resources you need. Visit marketplace.zoom.us
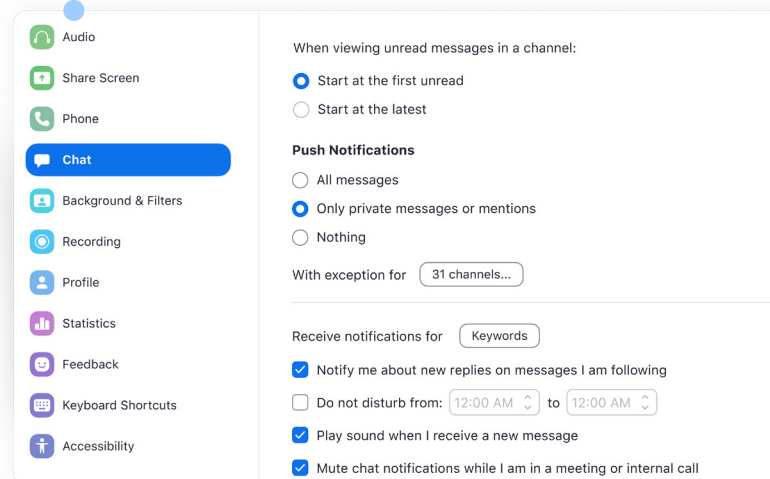

Organize projects and conversations

Starred contacts and private channels help you create a workspace to organize tasks, prioritize projects, and sift through the noise.

Work and respond smarter

Customize notification settings for channels, keywords and groups. Mark messages as unread, star or draft message to return to later.

Streamline communication, collaboration, and creativity.
