

**RALLY
for a
MORAL
BUDGET**

**Saturday@1pm
March 12
State House
Columbia SC
803.808.3384**

**Join the urgent call
to "Stop the Cuts!
Find the money.
Fund a moral budget."**

**South Carolina's political
leadership claims that there
is no alternative to further
cuts in critical state services.**

**We believe the alternative
is more revenue through broad
and fair tax reform.**

*Last year, sales and service
tax exemptions alone cost
South Carolina \$3.7 billion.*

**Funding critical services
is not only possible, it is a
moral responsibility.**
