

To be eligible to file a claim, you must register with the VCF by **July 29, 2021**. Registration is the first step in the VCF process. Registration preserves your right to file a claim, but does not obligate you to do so, and does not waive any legal rights. Visit www.vcf.gov/deadlines for additional information regarding registration. Regardless of when you register your claim, **all** claim forms and supporting documents must be submitted by October 1, 2090.

More general information about registration, how to file a claim, and Frequently Asked Questions can be found at www.vcf.gov
