20 CRIM 677

COUNT ONE

(Conspiracy to Provide Material Support to a Foreign Terrorist Organization)

The Grand Jury charges:

BACKGROUND

1. The charges in this Indictment arise out of a coordinated scheme by the terrorist organization Harakat al-Shabaab al-Mujahideen, commonly known as "al Shabaab," to target Americans both at home and abroad. Al Shabaab, which has sworn allegiance to al Qaeda and serves as the principal wing of that terrorist organization in East Africa, has escalated these deadly efforts as part of al Qaeda's global campaign to target Americans in response to the United States' decision to move its embassy in Israel to Jerusalem in 2018. That campaign -- which al Shabaab and al Qaeda have dubbed "Operation Jerusalem Will Never be Judaized" -- has culminated in multiple attacks for which al Shabaab has publicly claimed credit and which have

resulted in the deaths of dozens of people, including U.S. nationals, as well as several other plots that have been foiled by law enforcement.

2. CHOLO ABDI ABDULLAH, the defendant, was an al Shabaab operative who participated in one of those foiled plots, specifically, a plot to hijack commercial aircraft and crash them into a building in the United States, in an attack similar to al Qaeda's September 11, 2001 terrorist attacks against the United States.

Al Shabaab

3. For years, Somalia has lacked a stable central government and has been vulnerable to intense civil and sectarian violence. In 2004, the Transitional Federal Government (the "Somali TFG") was established in Somalia under international auspices. However, a loose coalition of violent Islamist insurgents known as the Islamic Courts Union fought against the Somali TFG, and took control of much of southern Somalia. Over time, that loose coalition emerged as the terrorist organization known as al Shabaab.

4. Al Shabaab has relied on violence, including targeted assassinations of civilians, journalists, and U.S. military personnel, and the use of improvised explosive devices, rockets, mortars, and automatic weapons, to undermine the Somali

government, quell the Somali population, and force the withdrawal of foreign troops. Al Shabaab has declared that its ultimate goal is the imposition of Sharia, or strict Islamic law, throughout Somalia.

5. On February 26, 2008, the United States Secretary of State designated al Shabaab as a foreign terrorist organization ("FTO"), under Section 219 of the Immigration and Nationality Act, as amended, and as a Specially Designated Global Terrorist under Section 1(b) of Executive Order 13224, as amended. Al Shabaab remains a designated FTO as of the filing of this Indictment.

6. Since that designation, al Shabaab has made numerous public statements demonstrating an intent to harm the United States. For example, after an al Shabaab member was killed in or about May 2008, al Shabaab leaders declared that its fighters would "hunt the U.S. government" and that governments supporting the United States and Ethiopia should keep their citizens out of Somalia. On April 5, 2008, in response to the United States Secretary of State's designation of al Shabaab as an FTO, al Shabaab released a statement that declared the group's intent to target the United States.

7. On or about February 9, 2012, al Shabaab released a videotape which was entitled, "From the two shaykhs, Abu-

Zubayr and Ayman al-Zawahiri, may god protect them both," in which "Shaykh Abu-Zubayr," the then-Emir of al Shabaab, Ahmed Abdi Godane, a/k/a "Mukhtar Abu Zubair," swore allegiance to Ayman al-Zawahiri, the Emir of al Qaeda who succeeded Usama bin Laden. In that same video, al-Zawahiri stated that al Shabaab "will hereby merge into al Qa'ida."

8. Al Shabaab has focused in particular on targeting Americans at public venues, including locations in Kenya and the United States. For example, on or about July 12, 2010, an al Shabaab spokesman claimed responsibility for the suicide bombings that took place in Kampala, Uganda, on July 11, 2010, which killed approximately 74 people, including an American citizen. On or about September 25, 2013, an al Shabaab spokesman claimed responsibility for the attack on the Westgate shopping mall in Nairobi, Kenya, on September 21, 2013, which killed approximately 72 people and wounded at least 175 people, including some American citizens. On or about February 21, 2015, an al Shabaab spokesman appeared in a video posted online and encouraged followers of al Shabaab to conduct attacks in shopping malls in, among other places, the United States.

"Operation 'Al-Qudsu Lan Tuhawwad
(Jerusalem will never be Judaized)'"

9. On or about May 14, 2018, the United States officially relocated the U.S. diplomatic mission to Israel from Tel Aviv to Jerusalem.

10. The following day, on or about May 15, 2018, al Shabaab issued a statement online introducing the so-called "Jerusalem Brigade." Al Shabaab described the brigade as "a practical response from the movement [i.e., al Shabaab] to the decision of US president Donald Trump to transfer his embassy from Tel Aviv to Jerusalem." Al Shabaab claimed that the Jerusalem Brigade was created for the purpose of "confronting the Jews and liberating Jerusalem."

11. Al Shabaab has publicly claimed multiple terrorist attacks as part of an "operation" that al Shabaab and al Qaeda have called "Operation 'Al-Qudsu Lan Tuhawwad (Jerusalem will never be Judaized),'" including an attack perpetrated by al Shabaab on January 15, 2019 at a hotel in Nairobi (the "Hotel Attack"), which resulted in the deaths of U.S. Citizen-1, who was a survivor of al Qaeda's 9/11 attacks, and approximately 20 other individuals, including the attackers; a September 30, 2019 attack on a U.S. military facility in Somalia; and a January 5, 2020 attack on another U.S. facility in Kenya, in which three Americans were killed.

12. During the Hotel Attack, an al Shabaab suicide bomber detonated an explosive device directly in front of U.S. Citizen-1, who was seated at an outdoor café at the hotel, killing U.S. Citizen-1. On or about January 15, 2019, an al Shabaab spokesperson publicly claimed credit for the Hotel Attack and stated that the attack was part of "Operation 'Al-Qudsu Lan Tuhawwad (Jerusalem will never be Judaized),' " in retaliation for the United States' decision to move its embassy in Israel to Jerusalem, and that through the "operation," al Shabaab would "targe[t] American and Zionist interests worldwide."

The Aviation Plot

13. Beginning in at least in or about 2016, CHOLO ABDI ABDULLAH, the defendant, searched for and consumed al Shabaab and al Qaeda propaganda, including propaganda about al Qaeda's 9/11 attacks on the United States.

14. Beginning in or about 2016, at the direction of a senior al Shabaab commander who was responsible for, among other things, planning the Hotel Attack, CHOLO ABDI ABDULLAH, the defendant, sought to obtain pilot training, test flaws in airport security, and take other steps for hijacking a civil aircraft to use in conducting a terrorist attack on behalf of al Shabaab.

15. In or about December 2016, CHOLO ABDI ABDULLAH, the defendant, began the process of enrolling in a flight school in the Philippines (the "Flight School").

16. Between in or about 2017 and 2019, CHOLO ABDI ABDULLAH, the defendant, attended the Flight School on various occasions and obtained pilot's training, ultimately completing the tests necessary to obtain his pilot's license.

17. While CHOLO ABDI ABDULLAH, the defendant, was obtaining flight training at the Flight School, he conducted research into the means and methods to hijack a commercial airliner to conduct an attack, including, among other things, security on commercial airliners and how to breach a cockpit door from the outside, information about the tallest building in a major U.S. city, and information about how to obtain a U.S. visa.
