**II. Unfinished Business.**

**A. Governance Committee** (1 motion) (10 min.)

*NOTE: We had two Governance Committee motions about the Bylaws Amendment Timelines that we moved up on this Agenda last week because they were time sensitive; however, we did not get to approving those two, very necessary motions. By not approving them last week, the timelines in those motions got knocked off a realistic calendar. Therefore, I sent the two motions back to the Governance Committee Chair George Reiter; who reworked the dates to make them workable on our remaining calendar. The product of George’s work is this one motion that addresses all the issues. The opening part of this motion, re-sets the initial turn-in date to midnight of Oct 24, and follows from there.*

**Motion re: Bylaws Amendments Process.**

All proposed Bylaw Amendments must be received by the Secretary of the PNB by midnight of Oct 24, 2013. They will be posted on the Pacifica Foundation Website the following day, Oct 25, which will be the notice date as specified in the bylaws. The iED is instructed to see to it that the notices on air required in each of the stations, informing the listeners of the Bylaws Amendments process being under way, commence on that day. Voting by the PNB and the LSB's shall commence on Dec 9<sup>th</sup>, 45 days after the notice date, and shall be completed by Feb 7, 60 days after the commencement of voting. The results shall be posted within 15 days of the completion of voting on the Pacifica Foundation website. *[Added 10-10 13]*

**IV. Committee Reports.**

**A. Elections Committee.** (3 Motions)  
min.)

Each: (10

1. *Whereas* the Pacifica Bylaws, as adopted in 2003 and revised in 2007, lay out a calendar for Local Station Board elections including specific dates or periods for establishing membership and candidacy, and for the mailing and return of ballots, and

*Whereas* the Bylaws limit the ability of the Pacifica National Board to affect the schedule, and in no way gives an Executive Director authority to change any of those dates or periods, or to do anything beyond appointing the National Election Supervisor (NES), approving the NES' choices of Local Election Supervisors, and facilitating the work of the NES,

*Be it hereby resolved* that the Committee reaffirms and recommends to the PNB that it re-assert to the Interim Executive Director that it is the national board that is in effect "the Foundation" and that she be accordingly guided in all future actions.

2. The Elections Committee is requesting an update from the I.E.D. on the status of the reports by Local Election Supervisors on the conduct of the 2012 elections. We have only seen the reports by the WBAI and WPFW supervisors, which were forwarded to us by the National Election Supervisor. Have the remaining three been received? If not, were the final paychecks withheld from those LES's as specified in their contracts?

3. The EC requests a status update from the PNB regarding implementation by management of the motions sent to the PNB by the EC and passed by the PNB at its July 11 meeting (regarding directing the iED to have the GMs do mailings and clean up the membership lists, directing the iED to post the opening for the NES forthwith and mandating that the 2013 elections for LSB go forward in some form). The EC also requests a status update on research carried out by directors on e-voting providers, which the PNB set as due back by May 9. If further work is needed to implement the e-voting, such as drafting an RFP, the EC and its working group are available. [Added 8-22-13]

**B. Coordinating Committee.** (1 Motion) Each (10 min.)

1. *Whereas*, the Pacifica National Board (PNB) and its committees and taskforces work primarily or exclusively via teleconference calls that each month last dozens of hours, *Be it hereby resolved*, that the Chief Financial Officer shall have his staff compare the cost and services of various providers and include in the report that is to be provided to the PNB within 60 days, the comparative cost of using a toll number versus a toll-free number and whether parties using toll number and parties using toll-free number can be on the same call. [Added 6-27-13]

Each (10

1. The governance committee recommends to the PNB that the 2013 election go forward with no later than the 60 day delay allowed by the CA Corporations Code.
2. Move that the PNB shall request the iED to provide, as soon as possible, a detailed cost accounting of the 2012 Pacifica LSB-elections to the PNB, to the Governance and Elections committees, and to the five LSBs.
3. Move to establish the following Timeline for the 2013 Pacifica Delegates Election:

Request that the PNB meet to approve and announce the 2 month postponement in open session immediately. [From: <http://kewg.org/bylaws/art4sec5.html>, with new dates]Article Four, Delegates, Section 5: Election Time Frame.

- In a Delegate election year, the nominations period for seats being vacated shall open on June 1 [September 1] and remain open for thirty (30) days, closing on June 30 [September 30]. The national and local election supervisors shall thereafter prepare the written ballots for each radio station, listing all of the candidates and setting forth all other information required by these Bylaws. Ballots shall be mailed, or otherwise made available, to the Members on August 15 [November 15] (or the following day if August 15 [November 15] is a mail holiday). To be counted a ballot must be received on or before September 30 [December 30] (the "Election Close Date").
- All ballots shall be held sealed until the Election Close Date. If the required quorum of ballots is not received by the Elections Close Date, then the Elections Close Date shall be extended by up to four additional weeks until closed by the National Election Supervisor. The national and local elections supervisors shall have up to 15 days after the Election Close Date to count the ballots and to certify the results to the LSBs, the Board, and the Members, which results must be reported by October 15 [January 15, 2014] or, if the Election Close Date was extended, by 15 days after the extended Election Close Date, and shall be posted on the Foundation's and the radio stations' websites. **V. Motions Carried Over from 2012.**

**A. Elections Committee.**

1. Revision of Election Timeline.  
(10 min.)

**Whereas**, the Pacifica Bylaws, as adopted in 2003 and revised in 2007, lay out a calendar for Local Station Board elections including specific dates or periods for establishing membership and candidacy, and for the mailing and return of ballots, and

**Whereas**, the Bylaws limit the ability of the Pacifica National Board to affect the schedule, and in no way gives an Executive Director authority to change any of those dates or periods, or to do anything beyond appointing the National Election Supervisor (NES), approving the NES' choices of Local Election Supervisors, and facilitating the work of the NES,

**Be it hereby resolved**, that the Committee reaffirms and recommends to the PNB that it re-assert to the Interim Executive Director that it is the national board that is in effect "the Foundation" and that she be accordingly guided in all future actions.

2. Procedures for Processing Complaints about Alleged Violations of Fair Campaign Provisions. (10 min.)

Move that in order to ensure fair, timely and properly publicized decisions on complaints alleging violations of the Fair Campaign Provisions; that the National Election Supervisor establishes and publicize the following process:

a. The LES or NES should acknowledge all complaints by email within 48 hours, whenever feasible.

b. If the LES or NES determines that the complaint warrants investigation, the LES or NES should as quickly as possible forward a copy of the complaint to the party alleged to have violated the FCP, with instructions on how and by when that person can file her/his response.

If the complaint is being handled by the LES, both the complainant and the person complained against should be notified of their right to appeal any decision to the NES, and any procedure and deadline for doing so. If the complaint appears without merit, the subject shall be provided a copy and both subject and complainant shall be notified that no action will be taken.

c. If the LES or NES finds that a rule was broken, s/he should cite the rule and explain specifically in what way it was broken. Copies of the written ruling should be sent to both the complainant and the subject.

d. All decisions on complaints found to be valid should be rendered as quickly as reasonably possible, however no later than ten days after receipt.

e. All decisions on complaints found to be valid should be posted on the Pacifica elections website (to provide guidance to candidates and staff at all stations) and the affected stations elections.

#### V. Motions Carried Over from 2012. A. Elections Committee. (Continued.)

3. Adequate Time for On-Air Candidate Forums. (10 min.)

**Whereas** Article 4, Section 6 of the Pacifica bylaws states, in part: "All candidates for election as a

Listener-Sponsor Delegate shall be given equal opportunity for equal air time, which air time shall

include time for a statement by candidate and a question and answer period with call-in listeners." and

**Whereas**, the PNB's 2009 LSB Election Policy set a standard for on-air LSB candidate forums to be one

hour in length for each 5 candidates, and

**Whereas**, many LSB candidate forums before and since have followed a similar formula, and

**Whereas**, in at least one signal area (WBAI), the recently announced forums will require 10 candidates to share one hour, and

**Whereas**, it is critical that all candidates have adequate time to explain their positions and that listener-members have adequate time to pose questions via phone and hear answers from all the candidates then on the air,

**Resolved**, that the PNB Elections Committee strongly urges the managers at the 5 stations to ensure that in all signal areas, on-air listener candidate debates allocate at least one hour for each five candidates. In addition, the Committee recommends that archives of on-air forums be posted on each station's website in a visible location.

4. Term Limits and Election Results  
(10 min.)

**Whereas** the National Election Supervisor adopted a policy in the 2012 WPFW elections to award only a one-year Delegate seat to anyone whose term-limited tenure would preclude them from serving a full three-year term, regardless of whether their vote total would have otherwise led to them to obtain a three-year term, and

**Whereas** in the 2007 election, the National Election Supervisor ruled that any candidates who would be term-limited before the end of another three-year term could nonetheless run for said term, provided that they resigned when they reached their six-year mark, and

**Whereas** the Pacifica Bylaws provide no authority for the National Election Supervisor or the Executive Director to treat any candidates in a disparate manner that awards one candidate a shorter term than another who won fewer votes,

**Resolved**, that the Pacifica National Board Elections Committee strongly urges the National Election Supervisor to change the policy for the 2012 WPFW elections so as to uphold the cornerstone standard that candidates are awarded three-year or shorter terms based solely on their relative ranking in the final vote count, and

**Further**, that the Committee recommends that the Pacifica National Board adopt a policy for future elections that in any Delegate election in which more than the customary half of seats in either the

Listener Member or Staff Member category are vacant, three-year-terms shall be awarded to the highest vote-getters up to the number of seats usually available in that year's election, and one- or two-year-terms dependent on the election year cycle to the next highest vote-getters for the remaining available seats. This shall include any candidate who would become term-limited during the upcoming one-, two- or

three-year term, although said person shall be required to resign as a Delegate as soon as they have completed six consecutive years of Delegate service.

5. Counting of Blank Ballots.  
(10 min.)

Move that the Pacifica National Board adopt a policy that, in keeping with longstanding practice, in all elections held in Pacifica, blank ballots shall be counted toward quorum.

**B. Audit Committee.**

1. Provide Audit Reports and Management Letters. (10 min.)

Move that the Pacifica CFO be directed immediately via email by the Chair of the Audit Committee to provide the members of the Committee for their reference and consideration immediately with complete copies of both the Pacifica Audit Reports of the past five years and the confidential Management Letters that corresponds to each of them.

**C. Other Motions.**

1. Requesting Legal Counsel. Motion from Aaron (currently sponsored by Rosenberg). (10 min.)

*Whereas*, there is a potential for irresponsible abuse of the Director's privilege to seek counsel thereby incurring financial obligations for the Foundation without regard to cost; such approval will specify a cost limit and time limit for the fulfillment of the request. This applies, but is not limited to advice, review, reports, evaluations and filings. This does not apply to normal work done in relation to ongoing legal actions or projects already approved by the PNB. Nothing in this resolution alters or affects Management's rights and duties to hire counsel as needed in accordance with the bylaws.

2. Notice to Rescind Motion on Members Not in Good Standing as Delegate Candidates. By Brazon. (Motion to be reconsidered listed below) (10 min.)

*Whereas* the Pacifica Foundation should be able to protect itself from individuals who have a documented record of harmful or malicious behavior toward the Foundation or any of its members,

*Be it resolved* that:

The following categories of people are not members in good standing of the Pacifica

Foundation as defined in Article 4, Section 2A and Article 3 Section 8A of the Pacifica Foundation Bylaws:

1. Individuals whose actions have been declared by a court of law to be breaches of fiduciary duty, or breaches of the duty of loyalty or the duty of care.
2. Individuals who have been separated involuntarily from foundation employment for cause.
3. Individuals who have been banned from station premises due to threatening behavior or creating an unsafe environment for others

These definitions of restrictions shall be publicized on the Pacifica web site. The Foundation shall make an effort annually to inform the membership of these defined restrictions on good standing through a combination of email, broadcasts and mailings.

## **Agenda, Special Open Continuation Telephone Meeting, October 10, 2013**

### **VI. C. Other Motions. 2. Notice to Rescind Motion (Continued)**

Any member of the foundation may identify another member whose actions have caused the loss of good standing by giving notice to the National Elections Supervisor. Any individual whose good standing is questioned per these restrictions shall be provided with full due process rights to be notified of the decision and to appeal it. The initial determination shall be made by the National Election Supervisor overseeing the foundation's election process.

If a determination is made that a member is not in good standing, the individual in question must be notified 15 days prior to the determination taking effect. Notice required under this section may be given by any method reasonably calculated to provide actual notice. Any notice given by mail must be given by first-class or registered mail sent to the last address of the member shown in the foundation's records. The right to request a hearing and procedure for requesting it shall be included in the notice.

The Pacifica National Board will provide an evidentiary appeal hearing upon request being made before the determination takes effect. The current sitting board officers (defined in the Pacifica Foundation Bylaws as the board chair, vice-chair, secretary and the CFO) will appoint a 3-member panel to hear the appeal. The board officers may schedule an appeal by whatever

method of communication seems reasonable, including a telephone or video conference. If the panel upholds the initial determination, that decision may be appealed to an arbitrator provided the individual pursuing the appeal waives their right to pursue legal remedies in court. Pacifica is under no obligation to provide an arbitrator for a 2nd appeal if a waiver of legal remedies is not signed. In the event an appeal is successful, good standing status for said individual will be reinstated.

This policy does not apply prior to the adoption date of this policy, unless an individual commits a new act that brings them under the provisions.
