*Your property's band must be chosen based on a reasonable estimate of the property's sale price. If the sale price is a range, then the top of this range must be used to determine the price band. If you fail to provide an estimate, or the actual sold price of the property is 15% or greater above your estimate and falls within a higher price band, you will be charged based on the higher price band as well as an administrative fee.

All rates are quoted on a GST exclusive basis, effective 29 January 2020.

All pricing and fees are subject to change pursuant of the terms of your subscription contract.
