

NEWS RELEASE #8
For Immediate Release

Dated: April 25, 2006

BUSINESSES ARE OPEN IN CALEDONIA

Haldimand County would like to advise that Caledonia businesses and services remain open to serve their customers and clients. Anyone who requires goods or services is encouraged to patronize Caledonia businesses.

The current re-routing of "through" traffic in Caledonia due to the temporary closure of Argyle Street and Hwy No. 6 by-pass may lead to a perception that the businesses in Caledonia are not accessible. This is not the case. Businesses can be accessed via many other routes within and to Caledonia including Argyle Street North (Hwy. No. 6), Hwy. No. 54, or River Road.

Caledonia businesses appreciate your support.

For further information please contact Mr. Karl Huyge, Manager, Economic Development @ 905-318-5932 ext. 242 or khuyge@haldimandcounty.on.ca
