# VANOC MUST DIE!

VANOC: VANCOUVER ORGANIZING COMMITTEE (FOR 2010 OLYMPICS)

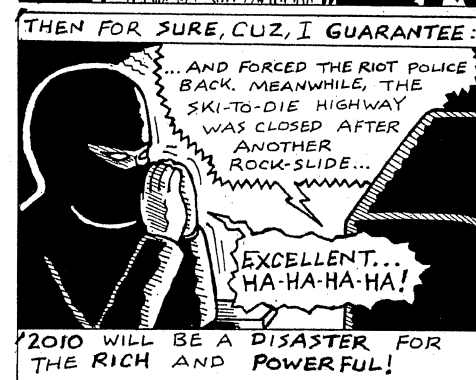

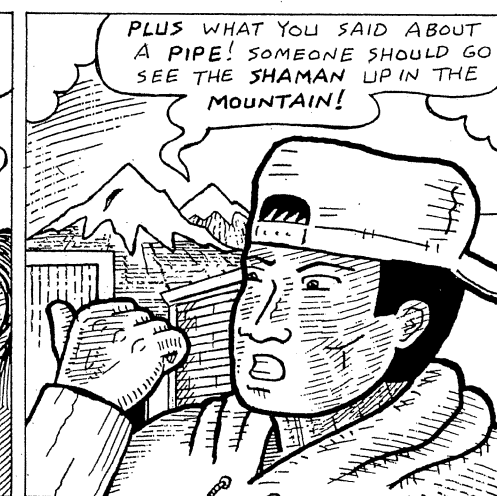

The Olympics are a multi-billion dollar industry backed by powerful real estate, construction, hotel, tourism and television corporations, working hand in hand with their partners in crime: corrupt government officials.

2

**No Olympics on Stolen Land:** BC remains largely unceded and non-surrendered Indigenous territories. Meanwhile, Indigenous peoples suffer the highest rates of poverty, unemployment, imprisonment, disease, suicides, etc.

7

**2010 Convergence:**

Gathering of anti-colonial and anti-capitalist resistance, Vancouver, Canada, Feb 10-15, 2010. To deter corporate invasion and limit the environmental & social impacts: **Resist 2010!**

DAMN! I THOT THAT MOLOTOV WOULD DO IT! I MIXED ONE QUARTER OIL WITH 3/4 GAS TO THICKEN IT, PLUS LOTS OF STYROFOAM CHIPS TO MAKE NAPALM...

IT'LL TAKE MORE THAN ONE 'MOLOTOV! WE NEED AN ARMY!

AND IT'S NOT JUST VANOC ~ THERE'S CORPORATIONS MARCHING BEHIND HIM!

WE NEED AN ARMY OF WARRIORS TO SHUT THIS WHOLE PROVINCE DOWN - THE WHOLE SYSTEM - ALL OF IT!

THE CITIES, THE HIGHWAYS, RAIL-ROADS.

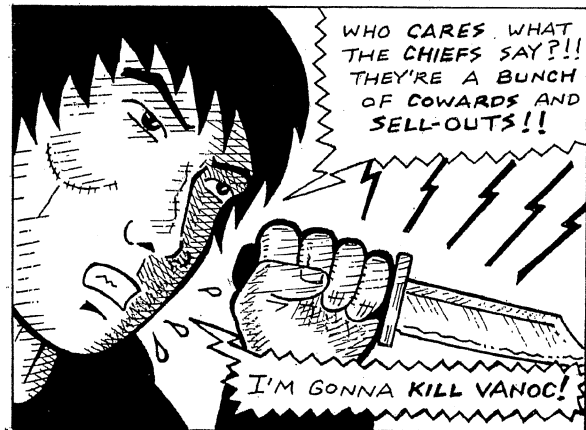

IN 2010, WE MAKE THE RICH PAY AND DEFEND THE LAND! THEN THOSE CORPORATIONS WILL THINK TWICE ABOUT INVADING!

THAT'S CRAZY! AND IT SOUNDS ILLEGAL! PLUS WE'D HAVE TO UNITE!

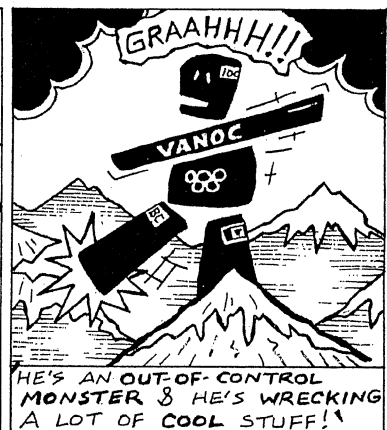

NOW PIPE DOWN, I'M TRYING TO THINK IN HERE! ... MAYBE IF I ADDED MORE

**2010 Police State:** Some 12,500 police, military and security personnel are to be deployed for 2010, including Emergency Response Teams, riot cops, helicopters, armoured vehicles, etc. For 3 weeks, Vancouver will be an occupied city under a Police State!

WHO CARES. WHAT THE CHIEFS SAY?! THEY'RE A BUNCH OF COWARDS AND SELL-OUTS!!

I'M GONNA KILL VANOC!

HE'S AN OUT-OF-CONTROL MONSTER & HE'S WRECKING A LOT OF COOL STUFF!

THE NEXT NIGHT, WHEN VANOC PASSED OUT AFTER A DAY OF MAYHEM & DESTRUCTION.

DAMN! THIS FOOL REALLY IZ A MACHINE!

GRAH?

LATER...

... THEN MY KNIFE BROKE ~ VANOC REALLY IS A BIG, DUMB METAL MACHINE!

CRAZY!

Wow!

**Ecological Destruction:** Despite claims to be the "greenest Olympics" ever, the 2010 Olympics will be among the most environmentally destructive in history!

4

**Homelessness:** Since winning the 2010 Winter Games in 2003, Vancouver has lost over 850 units of low-income housing; during the same period, homelessness has increased from 1,000 to over 2,500. It is estimated by 2010, the number of homeless may be as high as 6,000!

5

**Criminalization of the Poor:** To 'clean out' the poor and undesirables, Olympic host cities routinely begin campaigns to criminalize the poor. In Vancouver, the city has launched Project Civil City and new by-laws to criminalize begging for money, sleeping outdoors, add more private security, etc.
