

TBS hosts the first Reddit livestream premiere

The Story

TBS partnered with Reddit to introduce the first episode of its animated series “Final Space” to the internet’s most leaned-in animation fans — two weeks before it premiered on television.

Been a fan of Olan (and Thomas) since early Balloon Shop, and I am absolutely overjoyed to see how far he's come. Will be 100% buying this via Amazon (or iTunes if that's not an option) to support his work. Can't wait!

Edit: [It's on Amazon!](#)

This is Olan Rogers AKA creator of the animated show Final Space AKA The Tennessee Wonderchild. Freakin' AMA!

Reddit Friends! This is OLAN ROGERS the creator of the animated series, [FINAL SPACE](#) which premieres Monday 2/26 on tbs. I started developing this cartoon on my YouTube channel way back in 2010 and it is now finally coming to
