

# DISARM DSEI CRITICAL MASS 2017

Attended by thousands, the DSEI Arms Fair feeds an ever increasing number of wars, destroying entire societies, and creating tidal waves of desperate refugees.

With more than 1000 companies and 30000 attendees - it includes many governments with appalling human rights records.

Bring noise, colour and defiance

**ENOUGH!**

**Meet at 11am Saturday September 9th**

**Societe Generale, 41 Tower Hill** (meeting next to the bike racks) to cycle to the Excel Centre in London's docklands – where it's all happening. **For more info go to the over side of the flyer.**

The critical mass ride is part of a big day of action at the end of a week of blockades against the setting-up of DSEI.

The different days have different themes:

Monday Sept 4 Stop Arming Israel

Tuesday Sept 5 No Faith in War

Wednesday Sept 6 Anti-nuclear action

Thursday Sept 7 Solidarity Without Borders

Friday Sept 8 Conference at the Gates

Saturday Sept 9 Big Day of Action
