

Jonathan Majors Receives an IMDb STARmeter Award

Jonathan Majors (Ant-Man and the Wasp: Quantumania, Creed III) receives an IMDb “Fan Favorite” STARmeter Award, as determined by IMDbPro data on the page views of the more than 200 million monthly IMDb visitors worldwide

IMDb honors Black History Month with exclusive videos and galleries showcasing Black talent and fan-favorite titles

SEATTLE—February 23, 2023—IMDb (www.imdb.com), the world's most popular and authoritative source for information on movies, TV shows, and celebrities, presented an IMDb “Fan Favorite” STARmeter Award to *Lovecraft Country*, *The Last Black Man in San Francisco*, and *Ant-Man & The Wasp: Quantumania* star [Jonathan Majors](#). IMDb STARmeter Awards recognize the stars who are strong performers on the [IMDbPro](#) STARmeter rankings, which chart the page views of the more than 200 million monthly visitors to IMDb worldwide. Majors' STARmeter Award is also in celebration of Black History Month, for which IMDb features exclusive videos, editorial lists, and photo galleries recognizing Black talent, filmmakers, titles, and achievements.

Jonathan Majors continues to hold a strong presence on the IMDbPro STARmeter chart, propelled by his recent performance as Kang the Conqueror in *Ant-Man and the Wasp: Quantumania*. The blockbuster film released this past weekend, boosting Majors to the #13 spot on the IMDb STARmeter chart, and is trending as #2 on the IMDb MOVIEmeter. Majors was recently presented with the Actor Award in Film for his role in *Devotion* at the 2022 Critics Choice Association Celebration of Black Cinema and Television. He also earned an Emmy nomination for his role in *Lovecraft Country*, an Independent Spirit Award nomination for *The Last Black Man in San Francisco*, a 2021 African American Film Critics Association (AAFCA) TV award for Best Actor in *Lovecraft Country*, and a 2021 Gotham Awards Ensemble Tribute for *The Harder They Fall*. Fans are eager to watch his performance in *Creed III* and his role as Killian Maddox in the feature film *Magazine Dreams*, which recently premiered to rave reviews at this year's Sundance Film Festival. Speaking with IMDb, Jonathan Majors shared his appreciation for the award, saying, “IMDb fans, thank you so much for checking out my IMDb name page and making me the STARmeter Award winner. When I first started pursuing a career in TV and film, IMDb was an essential resource in helping me understand the entertainment industry and it continues to help me discover titles to watch and connect with other professionals.”

“Jonathan’s stand-out performances in titles including *Ant-Man and the Wasp: Quantumania*, *The Last Black Man in San Francisco*, *The Harder They Fall*, *Devotion*, and *Lovecraft Country* have captivated audiences worldwide and driven fans and professionals to IMDb and IMDbPro to learn more about his work,” said Nikki Santoro, IMDb chief operating officer. “As part of our recognition of Black History Month and our ongoing commitment to highlighting extraordinary entertainment talent who are reflective of our diverse global audience, we are honored to celebrate Jonathan's accomplishments and growing career.”

Throughout the month of February, IMDb is featuring prominent Black actors, directors, producers, and writers with exclusive videos, and curated photo galleries. Features including “[What to Watch: Important Black Stories](#)” (which includes Jonathan Majors), “[A Celebration of Black Superheroes](#),” and a photo gallery highlighting “[Black Hollywood Stars to Watch in 2023](#).” As an advocate for Black voices, Majors currently sits on the board of directors for The Gotham, and was a driving force behind The Gotham’s Sidney Poitier Initiative (SPI), a program whose pillars focus on mentorship, scholarship, project funding, and career advancement of Black and other marginalized artists. SPI strives to expand on Sidney Poitier’s legacy and to support the next generation of filmmakers.

Jonathan Majors also shared some of the actors and filmmakers who have inspired his career, including [Sidney Poitier](#), [Denzel Washington](#), and director [Yann Demange](#). Majors shared how Poitier and Washington inspired him to become an actor, saying, “the very existence of Sidney Poitier and Denzel Washington let me know that a career in entertainment was possible.” IMDb users can add the TV series and films from Majors’ IMDb filmography, as well as other titles, to their IMDb Watchlist at www.imdb.com/watchlist.
