

Citizens Alliance of Idaho

Lawmaker Scorecard

2022

What is this scorecard?

This scorecard is an easy way to identify how state legislators performed during the 2022 legislative session at upholding their commitment to The Pledge.

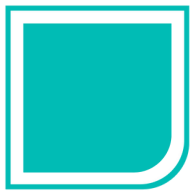

How are lawmakers scored?

Votes on the House or Senate floor made by a lawmaker for or against a bill that relates to The Pledge determines their overall standing.

What is The Pledge?

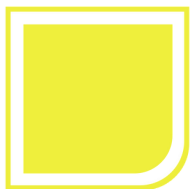

The Pledge is inspired by the Idaho State Constitution's "Declaration of Rights" and the Bill of Rights of the U.S. Constitution. It is made of 10 statements designed to uphold the shared values of Idahoans. Every one of the 105 state legislators was individually invited to sign the Pledge.

How to read the scorecard

Good Standing:

Legislators in this zone are committed to upholding The Pledge and are working hard to defend Idaho Values.

Questionable Standing:

Legislators in this zone are showing signs of abandoning The Pledge and need encouragement to keep defending Idaho values.

Bad Standing:

Legislators in this Zone have chosen to ignore or abandon The Pledge and should be asked if they are aligned with Idaho values and the oath they took to uphold the Idaho and U.S. Constitutions. Those who refused to sign the Pledge are in this zone regardless of their voting record.

Denotes the lawmaker has signed the Citizens Alliance of Idaho Pledge.

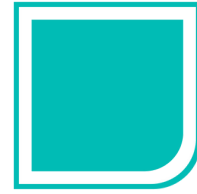

Note: The districts listed below reflect the 2022 session prior to the new district map, which causes some legislators to be listed in different districts.
