GETTING TO EMIRATES STADIUM

The Emirates is one of the most accessible stadiums in London and is served by a wide range of rail and bus networks.

By Tube and Rail

King's Cross is the main connecting station for national rail and many underground lines. The following stations are within a 15-minute walk of Emirates Stadium:

- Arsenal (Piccadilly Line)
- Finsbury Park (Victoria Line, Piccadilly Line, Great Northern Rail)
- Highbury & Islington (Victoria Line, North London Line, Great Northern Rail)

Please note that Holloway Road station will be exit-only before and after Arsenal first-team matches, with pre-match eastbound trains not stopping. Drayton Park is closed on matchdays.

To plan your journey, [click here](#).

By Car/Coach

We advise supporters not to drive to Emirates Stadium, where possible. The ground is situated in a mainly residential area with an extensive Event Day Parking Scheme in operation. Any cars parked illegally will be towed away. For full details on match day parking restrictions, [click here](#).

Leave the M1 at Junction 2 and go onto the A1, following the signs for City (Central London). Keep going on the A1 for around six miles, until you see Holloway Road Tube Station on your right. Take the next left at the traffic lights into Hornsey Road and the stadium is about a 1/4 of a mile further down this road.

Coaches booked through the visiting club are able to park adjacent to Emirates Stadium or in Finsbury Park, a ten-minute walk away. Supporters looking to arrange independent coach travel to Emirates Stadium should [click here](#).

Lost property

If you have lost something during your visit to Emirates Stadium, please contact your nearest steward. The stewards will ask for details of the lost item and will verify whether something of that description has been handed in.
