

④ She was dancing in a topless place, I stopped in for a beer  
I just kept looking at the side of her face in the spotlight  
So clear  
And later on as the crowd thinned out, I's about to do the same  
She was standing <sup>by the side of the chair</sup> <sup>(from nowhere)</sup> and said to me "what's yr name?"  
I made a joke, she didn't laugh ~~she didn't laugh~~  
I studied the lines of her face (as she studied the lines of my face)  
And I must admit, I was a little uneasy  
When she bent down to tie the lace(s)  
of my shoe - Tangled up in Blue

(and pulled out a)  
⑤ She lit a burnin on the stove and offered me a pip  
"Thought you'd never say hello" she said "you look like  
Then she opened up a book of poems and <sup>the silent</sup> handed it to me "type"  
Written by an Italian poet from the 13<sup>th</sup> century  
And every one of the words rang true  
and glowed like burning coal  
Pouring (off of) every page  
from the  
Like it was written in my soul  
From me to you - Tangled up in Blue

(He ~~was always living fast~~ <sup>was always living fast</sup> ~~was a~~ <sup>was a</sup> ~~bad mood~~)  
⑥ They were always in a hurry, too busy or too stoned  
And every thing that (then) she ever planned had to be  
He thinks they're successful, she thinks they've been blessed  
with objects and material things, I <sup>but</sup> ~~never~~ <sup>was</sup> ~~been~~ impressed  
And when it finally <sup>all came crashing in</sup> ~~all came crashing in~~ ~~crashed up~~  
I became withdrawn  
The only thing I knew how to do  
Was keep on pressing on  
Like a bird that flew - Tangled up in Blue

⑦ Now I'm going back again, gonna get to her somehow  
All the people we used to know, they're an illusion to me now  
Some are mathematicians, some are doctors' wives  
Some don't know what happened (to 'em)  
(Don't know how it all got started, don't know what they're  
doing with their lives)  
And me, I'm still on the road  
Heading for (towards) another joint  
We always did feel the same  
We just saw it from a different point  
of view - Tangled up in BLUE

"YOU'RE A BIG-GIRL NOW"

① our conversation was short and sweet  
Later that night, it swept me off my feet  
And I'm back in the RAIN  
Oh and you are on dry Land  
You've made it there Somehow  
And you're a BIG GIRL NOW

② BIRD ON THE HORIZON, SITTING ON A FENCE  
He's singing his song for me at his own expense  
And I'm just like that Bird  
Oh singing just for you  
I hope that you can hear  
HEAR ME singing thru these tears

③ Love is so simple, to quote a phrase  
You've known at all the time, I'm learning it these days  
Oh I know where I can find you  
Oh in somebody's room  
It's a price I have to pay  
You're a Big girl all the way

④ Time is a jet plane, it moves too fast  
It's so bad to see that all we shared can't last  
I can change I swear  
Oh see what you can do  
I can make it thru (after all that we've been thru)  
If only I have you

⑤ A change in the weather can be extremely  
But it's not like changing horses in the middle of the stream  
I'm going out of my mind  
Oh with a pain that stops and starts  
Like a corkscrew to my heart  
Ever since we've been apart
